This is Your Invitation to Join a Special Club By Contributing to the Cass County 4-H Program

Thank you for considering a donation to the Cass County 4-H Program. Our appreciation goes out to each and every one of you for your future and past support of the Cass County 4-H Association.

Some people in our community have expressed an interest to support the Cass County 4-H program but were unsure how to go about making the contribution. Thus, the *Cass County 4-H Classic Clover Club* was formed!

We are constantly working to improve the Cass County 4-H Program. Your contribution helps promote the continued growth of many youth that are gaining new knowledge and skills unique to the 4-H program.

The funds collected each year provide many rewards to our 4-H youth and volunteers.

- Trophies, plaques, pins, and ribbons are awarded to members through your generosity.
- Educational trips, workshops, and tours are awarded to members to learn as they travel.
- Manuals are provided to the members to educate and guide them through their various projects.
- Leader recognition and training materials are provided to help our many volunteer leaders guide our members.
- Maintaining our beautiful 4-H park facilities and grounds at the fairgrounds is a continuing process that benefits our local community.

Through your contribution, you are rewarded as well.

- Every donation will be recognized in all printing of livestock programs and events during the fair where feasible.
- All donations will be presented on the electronic red sign that is displayed continuously during the fair and at the 4-H fish fry and 4-H pancake days.
- Donations of \$500 or more will be listed on a sign and displayed at the fair.
- Recognition in the 4-H newsletter.

Remember, your donation is tax deductible.

You can be sure your donations directly support programming and facilities for 900 youth, families, and volunteers. [Donations must be received by June 15th, 2009](#) to be included in all of the promotions. Donations after that date will receive as much recognition as possible.

We ask you to consider supporting 4-H by selecting a level of giving as outlined:

THANK YOU FOR BELIEVING IN AND SUPPORTING CASS COUNTY 4-H'ERS

Cass County 4-H Adopt-A-Building Program

The Cass County 4-H Association has elected to offer an annual 4-H Adopt-A-Building Program. This program is being initiated to help renovate existing buildings, construct new facilities, and provide funds for infrastructure updates.

Through this Adopt-A-Building program support, an increase in educational and youth development opportunities will be afforded to our 4-H members.

Several community organizations and service groups have benefited from the recent improvements made to our Cass County 4-H fairgrounds. Last year, the facilities at the fairgrounds were used over 360 times and the demands for use continue to rise.

We look forward to the continued challenge of maintaining and improving the Cass County 4-H Fairground facilities. Future goals include having an official Master Plan for the fairgrounds so future projects will be prioritized and provide the 4-H Assn. with the direction for project completion.

Enclosed is a form for your commitment to this new program. Also, enclosed is a listing of some of the expenses to our 4-H Assn. Adopt-A-Building sponsorship is for a one-year commitment with a financial payment of \$250 per building. You will need to list which building (s) you would like to "Adopt". Each sponsor of the building will have a sign with their name/business attached near the main entrance of the building for one full year. **Please return your sponsor form by JUNE 15th**. If you have questions, feel free to contact 4-H Director, Cindy Scott, 664-4292.
