

## **COLLECTIONS (Open Judging) (County Project Only)**

### **Project Description:**

Collections can be defined as the gathering of similar items, articles, objects, etc. The 4-H Collections project provides an avenue for collectors to exhibit one of their most enjoyable past times. As each year passes, the exhibitor will increase his/her collection.

### **Levels:**

<b><u>Beginner</u></b>	Grades 3 – 5
<b><u>Intermediate</u></b>	Grades 6 – 8
<b><u>Advanced</u></b>	Grades 9 – 12

### **Exhibit Requirements:**

Exhibit six representative samples of your collection from one category. (You must exhibit six (6) different items every year.) Each exhibited item should be labeled with a number, which should correspond to the item number in the Collector's Log. In addition, a notebook or folder must be exhibited that includes your Record Sheet & story, Collector's Log, and Project Question Sheet. (These items may be computer generated). Space size should not exceed 24" x 36". Call the Extension Office if this size will not accommodate your exhibit. NOTE: Notebook or folder must have in the lower right corner: Name, club, and level.

### **NOTE: No knives, guns, or other weapons may be displayed; pictures of weapons may be displayed instead.**

You must also exhibit a 5" x 7" photograph of yourself and your collection. Please paper clip the picture inside your notebook or folder (do not glue or tape the picture inside your notebook). The 5 x 7 picture will be removed after judging is completed and displayed during the fair in Hall C. You may pick up your picture when projects are released, or the picture will be placed in your leader's file. All items except your picture will be taken home after judging.
