

Purdue Ag. Centers

NEPAC is one of 8 Purdue Agricultural Centers across Indiana. Their purpose is to provide hands on research opportunities for specialists on campus to discover new information in the community so local food and fiber production can be improved and environmental quality maintained and improved.

FACILITIES AT NEPAC

DIRECTIONS TO NEPAC

NEPAC is located at 4821 E. 400 S., Columbia City, Whitley County. From State Road 9 about 3 miles south of Columbia City or 2 miles north of St. Rd. 14, take County Road 400 South to the east. NEPAC is 4 miles east on the North side of the road.

Purdue Extension Mission Statement

The mission of the Purdue Cooperative Extension Service is the education of Indiana citizens through application of the land-grant university research and knowledge base for the benefit of agriculture, youth, families and communities.

Purdue University Extension Office
Courthouse Annex Suite 202,
354 North Jefferson St.
Huntington IN 46750
Phone: 260-358-4826 Fax: 260-358-4829
Email: emfarris@purdue.edu

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue University is an Affirmative Action institution. This material may be available in alternative formats.

If you have special dietary or other needs, please contact us one week prior to this event at 260-358-4826 and ask for Ed Farris.

NEPAC *Field Day*

August 19, 2010
8:30 am

Tel: 260-358-4826
