**10:00 – 11:00** – Prof. Bill Johnson – Botany & Plant Pathologist, Purdue University: Weed Management Update: Emerging Problems/New Technologies

Private Applicators: You need 3 programs in 5 years, not to exceed 2 programs in any one year. If your license expires 2010, you must have 3 programs by December 31<sup>st</sup> of this year. If you already have the required number of programs and have received your new license for the next 5 years, this program will not count toward certification for your new license but you are always welcome to attend for the information. Any Questions please call 1-800-601-5826 or 260-636-2111.

Seating is Limited: Please call to reserve a seat, \$10.00 will be due for certification at the end of the program. Call 1-800-601-5826 or 260-636-2111 to make your reservation TODAY!! This will help with arrangements and reduce your wait at the end of the program. If you need a reasonable accommodation to participate in the program, prior to the meeting contact Hanson Young at the above phone number.

Attention All: Please bring your **Applicator License**, to save time and paperwork.

\*\*\*\*Helena Chemical, Kimmell, Indiana & Purdue Extension of Noble County, Hanson Young, ANR Educator are Co – Sponsors of this program. Helena Chemical provided the facilities and refreshments. PARP credit approved, Category 1 & RT (applied for) \*\*\*

This will be a very worthwhile, informative program – plan now to attend. Reserve your spot today!
