9:00-9:45 a.m. Concurrent Sessions #1 (choose 1 of the following)

Making Meetings Fun - Eller

Are your club meetings kind of dry and boring? Is attendance less than expected? If so, this session is one you will want to attend. Club officers and adult leaders will learn how to re-shape meetings to make them educational and fun so youth will not want to miss their next meeting.

Positive Youth Development – Ages & Stages - Carey

Do you struggle planning and delivering engaging activities for youth of different ages in your club? Participants in this hands-on session will explore physical, cognitive, social and emotional differences, as youth pass from early elementary through adolescence. Join us and take home practical tips to incorporate, as you plan programming for youth of all ages.

Risk Management: Should I Get Up This Morning or Not? - Greyhound

Risk is something that we face on a daily basis; however, it should not be something that we fear. In this session we will discuss guidelines and specific steps that 4-H Volunteers and Extension Staff can follow to help manage risk and ensure the safety and well-being of all who participate in the 4-H program.

Bringing Civic Engagement to Any 4-H Club - Sycamore

Join us to learn about ways to incorporate Civic Engagement (previously Citizenship) in your 4-H Club, as a whole county, or with your volunteer development opportunities. We have activities to fit any need and over 10 topics ranging from Flag Etiquette to Community Service to Bullying Prevention to Ethics and so much more! You will leave with activities you can start incorporating tomorrow!

Animal Science - Wabash

Do you like animals? Do you enjoy science? Explore animal biosecurity through hands-on "maker" and robotics activities designed for youth using creativity and self-discovery. This session will be led by Teens as Teachers teams from around the state, who implement and create hands-on learning experiences for youth in their communities related to Animal Science.

9:55-10:40 a.m. Concurrent Sessions #2 (choose 1 of the following)

Marketing Your 4-H Program - Eller

Join us for a conversation about how to tell your 4-H story! Learn how to leverage the 4-H brand to grow your programs, brush up on social media best practices, discover endless 4-H marketing resources, and more. During this session you will create a marketing plan you can utilize for your county or club.

Positive Youth Development – Experiential Learning - Carey

What does "Learning by Doing" really mean? Come and find out by learning about the Experiential Learning Model through hands on activities! Learn how to incorporate this model into all your 4-H activities and programs!

Afterschool 4-H Clubs Make a Difference! - Greyhound

Join us to learn how community partnerships can strengthen and grow the county 4-H program. Attendees will learn about a unique partnership between Jackson County 4-H, The Community Foundation of Jackson County, Blue River Services Inc., and The Medora Community School System. Attendees will walk away from this session with practical knowledge on how to start Afterschool 4-H Clubs by engaging community partners.

4HOnline and Fair Entry - Sycamore

4HOnline is the data management system used to manage 4-H youth and adult enrollment and FairEntry manages exhibit, entry, show and auction data at the fair. This session will provide an overview of how both systems are integrated and how volunteers can access information necessary to manage their club.

Engineering and Technology Science in 4-H - Wabash

Join this session to discover the Makerspace movement. From novice makers to makerspace maniacs, participants will create, invent, tinker, and explore hands-on projects that teach science, technology, engineering, and math.

10:50-11:35 a.m. Concurrent Sessions #3 (choose 1 of the following)

Plant and Environmental Science in 4-H - Eller

Join us during the Plant and Environmental Science session to learn more about how to incorporate these topics in your 4-H educational programming with fun and engaging activities.

Participants in this hands-on session will explore physical, cognitive, social and emotional differences, as youth pass from early elementary through adolescence. Join us and take home practical tips to incorporate, as you plan programming for youth of all ages.

Navigating Difficult Conversations - Greyhound

Sometimes we find ourselves in disagreements with others. How do we have positive, productive conversations in these situations so that we are able to express our views in a respectful way and come to an agreement on how to move forward together? This session will provide you some recommendations to follow and also allow you time to practice using them!

How Do I Know That My 4-H Club is Successful? - Sycamore

4-H members accomplish a lot in a program year! And having a plan for knowing how your club has reached its goals is an important part of a 4-H year. Through this interactive workshop, we'll explore different approaches to help you measure success in your county.

Youth Showcase - Wabash

4-H members are doing amazing things throughout the State of Indiana! This session will showcase some of these outstanding members and the adult volunteers who work with them. Come see what these members are doing and receive ideas for activities that you can do in your home communities.
