

Risk Management Resources

Creating a Safe Environment

All adults attending, volunteering and/or working for the Indiana 4-H Programs are expected to adhere to the Adult Behavioral Expectations to create a safe and supportive environment, and promote the well-being of all youth.

It is also important to be aware of the Risk Management Policies and Procedures applicable to your 4-H programming. Use the Quick Click links below to visit the State 4-H website for project/program specific resources.

Reach out to your 4-H Educator...

- If you are planning an overnight or out of county 4-H activity.
- If you are planning an event that includes a meal for participants.
- When you need to submit an accident report or assistance with mandatory reporting.
- When you have any questions or needs for 4-H youth or to help in your 4-H volunteer role.
