

## Project Title: Outdoor Cooking

### Description:

Youth learn how cook outdoors. They will learn safety, selection of equipment, selection of entrée and develop a menu around the outdoor cooked entrée.

### State Fair Entries:

No State Fair Exhibit

### Exhibit Guidelines:

An Allen County 4-H General Record Sheet must be completed, signed and turned in at the beginning of check-in for All Exhibit Building Projects. One record sheet regardless of number of projects.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Methods of outdoor cooking include, but are not limited to, stick cooking, grilling, foil packets, dutch oven, smoking, spit, skillet or griddle cooking.
