## Livestock Judging 2024-2025

*Learn to evaluate livestock, improve your decision making skills, increase your communication skills, and have a lot of fun!*

### What Parents Need to Know

First Practice is Tuesday, September 17th from 3:15-5:30 at Webo with a parent information meeting to follow as well as Thursday, September 19th from 3:15-5:30 with a parent information meeting to follow. Later practice times can be available for kids involved with sports on as needed basis. Families can choose which night to attend. Contact us with questions or for more information.

### WHAT DO WE DO?

Our livestock judging teams learn to judge cattle, hogs, sheep, and meat goats. We work to learn the parts of the animals, terminology for describing the animals, and presenting oral reasons to justify our placings of the animals.

### WHEN IS PRACTICE?

We will practice at Western Boone this year. We will practice on Tuesdays from 3:15-5:30 and Thursdays from 3:15-5:30. Both nights are not required, but rather are designed to offer different options for families, and for kids at different competitive levels. We will take a break for the month of December after the Hoosier Beef Congress.

### CONTESTS?

The primary livestock judging season is in the spring with contests from March to May. We do have a contest in October and one in December. Most contests occur on Saturdays. A schedule will be provided the first week of practice. Judging team members are not required to attend all contests.

### COACHES

The teams this year will be coached by Tyler and Mandy Trent as well as FFA advisor Makayla and Todd Smith.

# PURDUE EXTENSION'S Lunch & Learn OCTOBER 10

Bring your own lunch and join us for  
this FREE program on Financial  
Technology and Family Mealtime!

.....

## **11am- Financial Technology in Our Daily Lives**

Technology is in every part of our daily lives and we are seeing it more and more when handling money. Come and learn what FinTech (Financial Technology) is and how it plays a role in our daily lives. We will discuss ways to incorporate this technology to be more efficient (budgeting, sending people money and money management). You will also learn the pros and cons to using FinTech and how to keep your money safe.

Pandora Taylor, Boone County

## **Noon- Family Mealtime**

We have all heard how important that family meals are but did you know that there is research that shows that youth who regularly eat with their family have higher grades, participate in fewer risky behaviors and have higher self-esteem? In this class we will discuss how to implement family meals and conversations into a very busy family lifestyle.
