

Farm Scene

Clay County Mini 4-H

What to Exhibit

1. You will exhibit a diorama, no bigger than 1 foot by 1 foot box. Highlight the farm animal of your choice, including its shelter, food & environment. Another option would be highlighting an ecosystem. Examples of other ecosystems might include a forest, arctic scene, grassland, under the sea, etc.
2. Exhibit with your diorama, an 8 1/2" x 11" sheet of paper, with a summary written by you about your animal farm scene or ecosystem.
3. Exhibit needs to be on a sturdy, solid base and have project exhibit tag attached.
4. Not responsible for lost or stolen items.

Suggestions

Visit a farm, talk to friends with the animal you choose or research the animal/ecosystem of your choice via library or internet.
