Dear Clay County 4-H Horse and Pony Member,

**PLEASE READ THIS LETTER IN ITS ENTIRETY.**

**2025 4-H HORSE AND PONY ENROLLMENT:** Once again, we will be enrolling all horses through 4HOnline via your 4-H profile.

1. Find the enclosed 4-H Horse and Pony Online Animal Enrollment Instructions. Utilize these instructions to work your way through the enrollment process.
2. Go to the 4-H Online Website at <https://v2.4honline.com>.
3. Complete all the drop downs and fields. Take Note: Clay County 4-H does not offer a foal class, but you may still enroll a foal and show it at the State Fair. To be considered a foal, the animal must be born after January 1st of 2025. In addition, foals, yearlings and two-year-olds must be shown at the height of their dam, unless their height exceeds that of their dam.
4. Before you start your enrollment process, make sure you have taken two pictures of your horse. **The pictures must show the front of your horse's head, their body and all 4 feet.** Upload your pictures to your computer or software that you will be using to enroll your horse or pony. During the animal enrollment, you will be asked to provide pictures and this will allow you to easily browse and select your picture.

If you need any extra help, please don't hesitate to reach out to the Extension Office or your Horse & Pony leader.

**HORSE HEIGHT:** All horses exhibiting at the Clay County 4-H Fair are required to be measured by a 4-H Horse and Pony Leader before you make entries in Fair Entry, which will be open after May 15th and must be completed by July 1st. 4-H'ers will receive information about Fair Entry after the 4-H Animal Enrollment Deadline. Leaders will measure horses at meetings and at open arena nights.

**LEASING OPTIONS:** Lease Forms are Due in the Extension Office by **May 15th** for each horse that you lease. A lease agreement can be found here <https://bit.ly/3FuCANN>, or can be picked up in the Extension Office.

**4-H HORSE AND PONY VACCINATION FORMS (REQUIRED):** The Indiana 4-H program requires a 4-H Horse and Pony Vaccination Form for each horse or pony that is enrolled in 4-H. Before you can bring your horse or pony to *any* 4-H activities, you will be required to show your Horse & Pony leaders your completed 2025 Vaccination form found here <http://tinyurl.com/29pxakek>. Your leaders will document that your horses are current on vaccines. There are 5 required shots, the rabies shot has to be administered by a vet.

**HORSE AND PONY BODY SCORE:** You will also notice that the 4-H Horse and Pony Enrollment and Vaccination Form requests a Body Conditioning Score for all your horse and ponies. You can have your vet provide this or you can determine this score. Refer to the

publication located on the internet at <https://bit.ly/3Tg8iEj>. Healthy horses should fall between a 4 and 6 body conditioning score.

**STATE FAIR ENTRIES:** 4-H'ers who plan to show their horse at the Indiana State Fair can view the project and entry requirements via their website at <https://tinyurl.com/2dtneut5>. Please refer to their website for updates and deadlines as well. Currently, the project information has not been updated for 2025, but will be available soon. When the entry information becomes available, more information will be sent out.

The dates of the 2025 Indiana State Fair are August 1 - 17. You can find the livestock schedule here: <https://tinyurl.com/4dwn5hsw>

## LIVESTOCK HEALTH

- A. Emergency Medical/Death of Animal Clause: After **May 15, 2025** no animal may be substituted or replaced due to death or a medical condition, ***unless it is the ONLY animal the member has to exhibit in that species.*** In cases such as this, a signed letter from a veterinarian must be provided to the Extension Office. The substituted animal may only receive a participation ribbon in all exhibited classes except showmanship. Substituted animals may be sold in the Clay County 4-H Auction. Concerns or questions should be addressed to the Extension Office.
- B. Clay County follows state health requirements for livestock and animal projects. Animals will be inspected upon arrival by a veterinarian or a representative appointed by the Clay County 4-H Council. No livestock/animal should be unloaded or enter the barns until an inspection has occurred by the barn superintendent and/or veterinarian. We reserve the right to refuse entrance to any livestock/animal that the veterinarian deems unhealthy and shows signs of communicable disease.
- C. During the Fair: All exhibitors must remove from the premises any livestock that exhibit symptoms of disease that may be infectious or contagious when requested by the Indiana State Veterinarian or his agents. Failure to meet all health requirements will result in removal of animals presented by an exhibitor.
- D. Fraud and/or deception will not be allowed relative to 4-H exhibits. Fraud and/or deception being defined to include, but not limited to, the following:

*\*Exceptions that are allowed to 1 and 2 above include hoof trimming, dehorning, removal of hair, manipulation of normally attached hair, castration, branding, tattooing, ear notching, docking of tails on sheep and swine, and coloring that does not alter or misrepresent breed characteristics.*
  - 3) 4-H market animals shall not contain any identifiable or unidentifiable foreign substance, including drugs, steroids, or chemicals, greater than those standards established by the United State Department of Agriculture (USDA) or Food and Drug Administration (FDA) as permissible for sale for consumption as human food both on day of show and day of shipment to market from the Clay County Fair. Drugs may not be administered to a 4-H animal exhibit at the Clay County Fair except those approved by the project superintendent. The project superintendent must witness the procedure.

## **OWNERSHIP & REGISTRATIONS**

- A. Each 4-H member shall own or lease his/her 4-H exhibit. Ownership, personal possession, and regular care of the animal must be in effect on or before the county and state enrollment deadlines (**May 15, 2025**) and continuously until after the 4-H show at the county and/or state fair.

The winner will be the contestant with the lowest score at the end of the Round Robin.
- M. All past and current winners of the Round Robin competition will be unable to compete again for the remainder of their 4-H eligibility.
- N. The first and second place winners will receive awards at the conclusion of the contest.
- O. In case of a tie, a written test will be administered at the contestant/parent meeting on Thursday afternoon. This test will consist of twelve questions, two from each species. The test will be created by the Round Robin Committee and Youth Extension Educator. No outside help can be given during this test. This includes spectator advice or electronic devices. The tests will be sealed in an envelope at the meeting and only be used if a tie should occur. If a contestant fails to appear at the information meeting, that individual will not be included in the tie breaker.
- P. If any problems or questions arise during the contest, the Round Robin Committee’s decision will be final. Judges’ decisions are final and will be kept confidential.
- Q. Rabbit and Poultry Champions/Senior Division Winners will be recognized during the Round Robin and may be asked to complete an action demonstration for the spectators/exhibitors.

## Family Enrollment of Animals

Animals are automatically co-enrolled within the same family (Siblings and step-siblings). The animals may be identified under a single 4-H member in 4-H Online and be exhibited by a different sibling listed in the same family profile. **With this capability in 4-H Online, animals do not need to be entered under each 4-H member in the family.** The exhibit management program will allow a member to select to exhibit any animal identified by the family in 4-H Online. It is suggested that at least 1 animal be identified by each member enrolled in the project.
