Sporting Arms Family Education is a project directed by the county shooting sports leaders that have received state 4-H approved training. This group conducts all shooting activities with the approval of the 4-H Board of Directors. The group is led by the SAFE Coordinator, who oversees the activities of each discipline. The six disciplines offered in Dearborn County are as follows:

Archery	Rifle
Muzzleloader	Shotgun
Pistol	Outdoor Skills

The following instructors have been trained as "Certified Instructors" through the Purdue 4-H Shooting Sports Workshop program. A Certified 4-H Instructor must have passed the course to be supported by the Purdue Liability Insurance program. All 4-H shooting activities must have a certified 4-H Instructor present in the respective discipline and control of the activity.

Each of these instructors received advanced training at the State Shooting Sports Workshop. They help with the project under the guidance of the shooting sports instructors.

SAFE is a project, sport, and hobby, and it's fun. The shooting sports project is designed to teach the safe use of firearms on the shooting range and in the hunting field. The project instills the importance of home firearms responsibility and develops skills to handle various types of firearms and archery equipment properly.

The Objectives of the Project:

1. Learn the Ten Commandments of Firearms Safety.
2. Learn to handle a firearm properly and safely.
3. Learn the Indiana laws concerning firearms related to hunting.
4. Learn the rules of Safety on the Firearms and Archery range.

5. Learn to identify various kinds of arms, ammunition, and archery equipment.
6. Learn to aim and fire firearms and archery equipment on the range.
7. Learn to handle archery equipment properly and safely. Learn archery range commands.
8. Learn good hunter ethics.
9. Learn the history of firearms, archery equipment, and hunting in our country and area.
10. Learn related activities and skills to enhance the full scope of opportunities associated with shooting sports.

### **General Rules**

1. Do not attend range events if anyone in the family is currently experiencing COVID symptoms or is under quarantine due to positive COVID exposure. This includes any other infectious diseases.
2. To participate in the shooting sports program, an Activities Release form from parents or guardians and a health form must be on file in the extension office.
3. All parents are encouraged to attend the training meetings with their children. Parents are also encouraged to take all safety courses and actively participate in the program as adult volunteer leaders.
4. The instructor, volunteer leader, or range officer's commands or instructions must be followed immediately and completely.
5. Horseplay will not be tolerated. The instructor or range officer has the right to ask any member or parent to leave or to remove him/herself from the firing line.
6. It is highly recommended that members complete the DNR Hunter Education course. The county shooting sports program offers this course each year, in the spring and fall. Other groups also offer the course throughout the year. It does not matter where you take the course.

### **TEN COMMANDMENTS OF SHOOTING SAFETY**

1. Control the direction of your firearm's muzzle. Carry your firearm safely, keeping the safety on until ready to shoot. Keep your finger off the trigger until you are prepared to shoot.
2. Identify your target and what is beyond it. Know the identifying features of the game you hunt.
3. Treat every firearm with the same respect as a loaded firearm.
4. Be sure the barrel and action are clear of obstructions and that you have only ammunition of the proper size for your firearm.
5. Unload firearms when not in use. Leave the actions open. Firearms should be carried empty in cases to and from shooting areas.
6. Never point a firearm at anything you do not want to shoot. Avoid horseplay with a firearm.
7. Never climb a fence or tree or jump a ditch or log with a loaded firearm. Never pull a firearm toward you with the muzzle.
8. Never shoot a bullet at a flat, hard surface or water. During target practice, be sure your backstop is adequate.

9. Store firearms and ammunition separately beyond the reach of children and careless adults.
10. Avoid alcoholic beverages or other mood-altering drugs before or while shooting.

### **"THREE RULES OF SAFE GUN HANDLING"**

#### **FIRST**

Always keep the gun pointed in a safe direction.

#### **SECOND**

Always keep your finger off the trigger until you are ready to shoot.

#### **THIRD**

Always keep the gun unloaded until ready to use.

### **"Rules of Safe Archery Handling"**

#### **FIRST**

Always keep arrows pointed in a safe direction.

#### **SECOND**

Do not draw back until the bow is pointed in a safe direction.

#### **THIRD**

Never knock an arrow until it is ready to shoot.

#### **FOURTH**

Follow all Range Commands.

### **GENERAL DISCIPLINE REQUIREMENTS:**

1. **4-H'er must attend range safety review meetings at every practice before being allowed to shoot at the range.**
2. The Shooting Sports Coordinator, Leader, or Range Captain has the authority to dismiss any member/ parent from the activity for the day for any safety violation.
3. **Each discipline is treated separately; 4-H'ers enrolling in one or more disciplines shall complete one Fair Exhibits and one Record Sheets.** Example: 4-H'er enrolled in rifle & archery you would need to make one fair exhibit of your choice and one record sheet with dates you attended that discipline.
4. **Competition is for Fun. You must complete one Exhibit Hall discipline projects to be eligible for competition awards.**
5. Each discipline shall meet independently and shall be guided by an adult Discipline Leader "certified" through the State 4-H Shooting Sports Workshop; only a 4-H "certified" leader may conduct any activity involving the use of archery equipment or firearms. **NO EXCEPTIONS DUE TO INSURANCE LIABILITY RESTRICTIONS** required by the Purdue 4-H Liability Insurance Policy for volunteers working with shooting activities.

6. Discipline training shall begin, weather permitting, and continue through the fair. Most activities will occur as weather permits for shooting activities. Many disciplines offer activities throughout the calendar year.
7. Awards will be awarded at the Award Luncheon during Fair Week for winners in each discipline.
8. Parents are encouraged to become actively involved with this project through participation, encouragement and suggestions. The program always needs more Discipline Leaders, volunteers and range helpers.

Each member must attend range safety training. The member may choose any of the six disciplines, Archery, Muzzleloader, Rifle, Pistol, Shotgun or Outdoor Skills. The member must complete an exhibit requirement. At the end of the instruction and range practice year, a competition will be held. To be eligible to participate in the competition shoot a member should attend three shooting practices prior to competition.

Members that are in the 3rd grade and above during the current calendar year may sign up for Outdoor Skills as a discipline. Clover Buds are welcome to participate with adult supervision.

### **Exhibit Guidelines**

Create an exhibit that shows the public what you learned in shooting sports education this year. Exhibits must be displayed horizontally, sized 22" x 28", mounted on a firm backing (foam-core board or other), and covered in clear plastic or other transparent material. Be sure to include a label with your name, grade, and county. Title your exhibit with one of the following: archery, outdoor skills, muzzle loading, pistol, rifle, shotgun, or shooting sports. You can use a subtitle, if you wish.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

### **Important Notes:**

- **Please ask instructors for project examples.**
- Firearms or ready-to-shoot bows are not allowed to be exhibited. Unstrung bows are permissible.
- Live ammunition is not allowed to be exhibited (no powder or primer)
- An arrow with its arrowhead attached must be displayed in a secure case. An arrowhead without the arrow attached must be displayed in a secure case. An arrow may be displayed unsecured if its arrowhead is removed. Modern broadhead arrows are not allowed to be exhibited.
- Displays involving firearms or bows may be exhibited as photographic displays on a poster or in a notebook following grade-level guidelines.
- Handmade items must include information explaining how the project was made and its intended use. Photos are encouraged.

If you have questions about exhibit topics/projects, ask your discipline leader!

**Grades 3-5: (May have 1 State Fair entry per grade level)**

Display a poster showing what was learned in the 4-H Shooting Sports project.

**Grades 6-8: (May have 1 State Fair entry per grade level)**

Choose one of the following options. Exhibits **MUST** meet the size restrictions or be presented in a notebook.

1. Poster
2. Small project or model item may be created instead of poster, notebook or display.
3. Notebook, showing how a shooting sports item was made, or project completed.

**Grades 9-12: (May have 1 State Fair entry per grade level)** Choose one of the following options.

1. Poster
2. Project or model {any size}
3. Notebook, showing how a shooting sports item was made, or project completed.

**Independent Study: Grades 9 12: (May have 1 State Fair entry per grade level)** Advanced topic  
Learn all you can about an advanced shooting topic and present it on a poster and/ or in a notebook. Include a short manuscript, pictures, graphs, and a list of works cited to describe what you did and learned. Title your poster "Advanced Shooting Sports-Independent Study."

Mentoring-Exhibit a poster that shows how you mentored a younger 4-H member. Include your planning, the time you spent, the challenges and advantages of mentoring, and how the experience might be useful in your life. Photographs and other documentation are encouraged. Title your poster "Advanced Shooting Sports-Mentor."

**SUMMARY OF PROJECT REQUIREMENTS:**

1. **Record sheets are suggested to complete to develop life skills, answer judge's questions and for scholarship applications.**
2. **To be eligible to shoot in competition, you must attend discipline meetings/ activities as required (for example, you must attend three shooting practices prior to competition).**
3. Prepare and bring exhibit to fair. (Must exhibit in one discipline that you enroll in.)
4. Act safely and responsibly and have FUN!
5. **To be eligible to receive awards for competition, you must complete the above requirements.**

**KEEP RECREATIONAL SHOOTING A FUN, ENJOYABLE ACTIVITY FOR ALL**

**4-H SAFE**  
**MEDICAL PARENTAL PERMISSION SLIP**

In case of an accident, the 4-H Directors require that each 4-H member who plans on attending the 4-H Shooting Sports shoots complete a Medical Parental Permission Slip. This form will allow the nearest medical facility personnel to provide emergency treatment. This permission slip includes admission to the nearest medical facility, if possible, or to another local hospital if it is considered a medical risk following an emergency treatment and evaluation.

Parents will be notified in the event of an accident. If a parent cannot be reached and/or the ambulance arrives at the hospital before the parents, the Medical Parental Permission Slip will be used.

I hope you will understand that this form is for the protection of the 4-H members at the shooting range and is what is required by the nearest medical facility.

I, \_\_\_\_\_ hereby, consent to the emergency treatment of my children listed below, give my permission to the nearest medical personnel, and give my consent to the rendering of aid and care, including diagnostic procedures, by authorized members of the hospital staff as may, in their professional judgment, be necessary.
