

4-H Club Order Form

Flower Sale 2025

4-H Club orders need to be received by the **4-H Corporation Treasurer** no later than **Wednesday, April 9th**. Please mail your order along with the check in a sealed envelope addressed to:

Penny Stroup - 4-H Corp. Treasurer, 17429 County Road 8, Bristol IN 46507

Please let Penny Stroup know the number of geraniums and baskets your club has sold **before April 9th**.

Email (mpstroup@maplenet.net) or text (574-536-5404) with the numbers.

4-H Club payment can be turned in at the Leader's Training on April 15th.

Your club's check should be made out to Elkhart County 4-H Corporation. (Note: We do not accept checks from individuals.)

-----------------	--

Who from your club will take charge of your club's plants on delivery day and confirm the count?

Name: _____ (Leader / Adv Bd / Parent)
Circle One

Does your club plan to?

- ☐ Distribute plants to club members from the fairgrounds.
- ☐ Take plants to another location for distribution.

Flowers will be distributed from the paved parking lot in front of the ECCC. We will arrange club orders based on how they can most efficiently and effectively be placed. Clubs that are moving their plants to another location will be placed for easy access with trucks/trailers.

Flowers will arrive at the Fairgrounds on Wednesday, April 23, 2025. We plan to start unloading at 9:00am and continue until all trucks are done. (Usually about 4 hours.) Club leaders, advisory board parents and 4-H parents are encouraged to help with the unloading. (For safety reasons, we request that small children not be present during unloading since large equipment will be moving around.) **Once all flowers have been unloaded and 4-H Corporation has a final count of plants, plants will be released to clubs who have helped unload and have an authorized person to take charge of the club's order.** Clubs that are not able to help unload are requested not to pick-up and/or start their distribution until 2:00pm.

All plants must be removed by 7:00pm Wednesday, April 23, 2025.

Purdue University is an affirmative action, equal access/equal opportunity institution.
