**Senior**      **Grades 8-12**

### Exhibit Class Guidelines:

1. Recommended to complete a minimum of three (3) activities each year from the project manual.
2. All participants will be scored on written quiz, maintenance/safety check of bicycle, parts, tools, accessories identification, bicycle operation on skill events, and safety while at the rodeo.
3. Each participant will take a written quiz. The Junior Division quiz will consist of fifteen (15) questions, and the Senior Division quiz will consist of twenty five (25) questions. Each question incorrectly answered will add four (4) points to the participant's score.

Senior Division participants must find ten (10) maintenance and/or safety problems. A penalty of five (5) points will be assessed for each maintenance and/or safety item missed or incorrectly listed.

4-H'ers participate in the county Bicycle Rodeo including road test skills or if it is impossible to ride, exhibit a bike safety poster with your project book taped to the back of the poster. There will not be an award given in the bike safety poster area. Posters are due on check-in day the Sunday before the Fair.

NOTE: See poster rules, page 30, #14. Posters do not qualify for State Fair. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to original author. **Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work.**

There will be a champion award given to the Junior and Senior levels in the bicycle rodeo. An overall Grand Champion will be given in the rodeo based on the participants' scores. Announcement of placings and presentation of ribbons will take place one (1) hour after completion of rodeo.

4-H'ers are encouraged to choose a bicycle appropriate for their age and size. Five (5) points will be added to the score for correct size bicycle.
