Consumer Clothing will be judged during the private Fashion Revue. All Consumer Clothing notebooks must be turned in to the Extension Office on or before July 8, 2025 at 12 PM Noon. Private judging will be in the evening on July 8, 2025. Turn in record sheet with notebook. **Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work.** All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include website links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Notebook

The notebook is to include the following items and information:

- **Outside front cover – 4-H member name, county, club, and level.**
- **Photo of 4-H member wearing their purchased outfit.**
- **Narrative describing decision making process when purchasing this outfit and accessories, and how they complement your existing wardrobe.**
- **One page or section outlining each of the five manual activities completed. Information is to include a description of the activity, skills learned, challenges completing the activity and how you worked to overcome each challenge, problems that occurred and how that problem was solved, how this activity will help you later in life and any other information.**
- **Any additional information or documentation such as place of purchase, other vendors explored, how an adult mentor assisted and any other information. Receipts are not required, but if included be sure personally identifiable information such as mailing address, phone number, etc. are altered and not visible.**
- **The notebook exhibit is not to include prior year(s) information.**

Youth may choose to model their purchased outfit and accessories at the county level. Modeling at state fair is limited to one entry per level from each county and will be judged separate from the notebook.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
