Volunteer Screening

1. Please select “Show Screening” to complete the questions and then “Submit”.

Volunteer Training

1. You will now complete your trainings. For new Volunteers there should be three to complete. Select the name of the training to begin.

2. Launch the course and allow each training to completely run through all slides before exiting.

****Note**** These trainings are best completed on a computer and using Mozilla Firefox or Google Chrome web browsers. These can be completed on your phone if a computer is not available, but know sometimes there are complications. If you complete your training and it is not marking you “Passed”, take a screenshot of your completion page in the training and contact your county office to have you marked as passed. These trainings also require pop-up blockers to be enabled.
