

Harrison County 4-H

OPEN ENROLLMENT

Our traditional 4-H program is open to ALL youth from grades 3-12. Mini 4-H is offered to ALL youth grades K-2. 4-H programming is designed to serve the varied interests of ALL youth in our community. 4-H members, guided by adult volunteers, participate in hands-on, all-inclusive programming in order to develop skills they will use for a lifetime. Purdue Extension-Harrison County provides opportunities for youth to experience 4-H through community clubs, in-school and after-school enrichment programs, 4-H camps, workshops, projects, community service, and more!

4-H ONLINE: YOUTH AND MINI MEMBERS

Open Enrollment Begins October 1

The 4-H Program Year starts on October 1st! Enroll to join us for a great program year by going to v2.4HOnline.com. Traditional 4-H Members, Mini 4-H Members, and Adult Volunteers must enroll each year to participate in the program. Start the year off right by getting your enrollment done early. Step by step instructions are included in the newsletter, in your email, on our website at extension.purdue.edu/Harrison, and on our Facebook page.

Enrollment Eligibility/Membership/Residence

Enrollment in Indiana 4-H is open to any youth enrolled in grades 3-12. Grade is defined as the school grade the child is enrolled on January 1 of the 4-H year. A child may enroll in only one 4-H program in Indiana, regardless of their place of residence. In other words, youth are not required to participate in their own county's program and may participate in a different county program provided they have properly enrolled. The only exception to this is if their county of primary 4-H enrollment does not offer a project or statewide activity they want to participate in, then the child can enroll in a second county provided they meet Indiana 4-H policy requirements.

Annual 4-H Enrollment/Re-Enrollment

Enrollment is an annual process attained by completing the appropriate county 4-H enrollment process. 4-H Online enrollment is October 1 through January 15 at v2.4honline.com. After January 15, contact the Extension Office. 4-H enrollment is open to youth in grades 3-12 for a maximum of 10 consecutive years. 4-H members may drop or add projects through 4-H Online, through May 15. There is a \$15 4-H program fee (Mini 4-H is free), payable at the time of enrollment.

What's the Difference Between Fair Entry and 4-H Online?

4-H Online is the program enrollment website. This is where you register for the 4-H program year as well as the projects, project animals, and events you will be participating in throughout the year. Fair Entry is the fair entry database. This is where you submit the projects or animals you specifically intend to exhibit or show at the county fair. Fair Entry does not open until later in the year, and you must have your projects registered on 4-H Online before submitting them on the Fair Entry database.

How can Families Help?

- The 4-H program encourages parents, grandparents, guardians, and family members to help the 4-Her with his/her projects. Here are some suggestions:
- Help youth select projects that relate to their interest/hobbies.
- Attend club meetings with your child.
- Give encouragement and supervision, but allow the 4-Her to do their own work.
- Help youth develop a record keeping system for their project work. (This may mean finding a special place for records and 4-H materials in the home and reviewing that information periodically with them.)
- Read the 4-H Newsletter/4-H emails and help them stay on top of dates, deadlines, rules, etc.
- Be willing to help whenever possible for the club as extra adult hands, hostess, driver, chaperone, etc. as the need arises.
- Be positive. Praise them when they succeed & be there to help when they struggle. Let them learn!
- Seek help from Extension Staff, Club Leaders, fellow 4-Hers, as well as people with specific expertise in project areas.
- HAVE FUN!

Did You Know?

In most 4-H projects, 4-H members are divided by their level, which is usually based on their grade level. Divisions include:

Minis: Grades K-2

Juniors: Grades 3-5

Intermediate: Grades 6-8

Senior: Grades 9-12

A few projects like Foods, Sewing, and Tractor have more levels
