## HAPPY NEW YEAR!

### Fresh Year, Fresh Opportunities

As we usher in 2025, we're excited to kick off a fresh year of opportunities, learning, and growth in Harrison County 4-H. We have something for everyone, whether you're a teen looking to sharpen your skills at our Barista Workshop, a Mini 4-H member exploring fun hands-on activities, or in between!

Youth 6th grade and up will have a chance to showcase their entrepreneurial spirit in our 4-H Shark Tank competition. Teens will sharpen their coffee-making skills at the teen Barista Workshop at Kent

Java, and connect with friends at the 4-H Teen Bowling event. For our Mini's and younger members, I've planned creative craft and educational workshops to nurture curiosity and creativity.

Be sure to mark your calendar for enrollment deadlines and 4-H council meetings to stay involved and informed. We're here to support all of our members, and we can't wait to see everyone grow this year!

## Paint Your Pet in Pop Art

The 4-H Paint Your Pet in Pop Art workshop was a colorful success! Led by talented volunteer Debbie Schweitzer, the event offered participants a creative and hands-on opportunity to celebrate their beloved pets. In preparation for the workshop, each child submitted a photo of their pet, which was transformed into a stencil to guide their artwork.

During the session, participants explored the vibrant and bold style of pop art, painting their pets in eye-catching colors and designs. Debbie guided the kids through each step of the process, sharing tips on blending colors and using artistic techniques to bring their pets to life on canvas. By the end of the workshop, every participant proudly

walked away with a unique masterpiece that reflected their personality and love for their furry (or scaly!) friends. A big thank-you goes out to Debbie Schweitzer for her time and dedication, as well as to all the 4-H'ers who participated and shared their creativity. This workshop was a fantastic example of how art and animals can bring people together in the 4-H program!

## Milking. Cheese. and the Show Ring: Growth for the 4-H Dairy Club

The Harrison County 4-H Dairy Club has been busy with a series of exciting, hands-on learning experiences that highlighted the dedication and skills involved in the dairy industry! On November 4, club members had a unique opportunity to work directly with a dairy goat during a session led by Debbie Haeberlin of Karst Kreek Farms. Members learned about the importance of biosecurity and practiced the milking process, even trying their hand at milking. This hands-on activity provided valuable insights into dairy farming practices.

The learning continued as the Dairy Club embarked on an exciting field trip to the North American International Livestock Expo. Members explored the dairy goat and dairy cattle shows, met breeders and showmen, and observed the dedication and skill required in the show ring. This first-hand experience deepened their understanding of the industry and its opportunities.

Rounding out the month with the club's first cheese identification practice as they prepared for the Milk Quality and Products CDE competition. Mr. Matthew Payne kicked off the session with an engaging lesson on how milk journeys from the farm to the grocery store. Members then explored a variety of cheeses through a tasting activity, with reactions ranging from curiosity to a few sour faces while trying blue cheese!

## Blue River All Stars Trip to Nashville

The Blue River All Stars 4-H Club recently took a memorable trip to the Gaylord Opryland Hotel's ICE! featuring Frosty the Snowman, where families and friends shared a day filled with chilly excitement. The group explored ice slides, skating, and more, making it an adventure to remember. A favorite activity among the kids was sliding down the ice slides, marveling at the icy thrills.

"Sliding down the ice slides was a favorite of ours," shared one parent. "The kids could not believe it was real ice. They had to take their gloves off to touch it to really believe it was ice!"

The day continued with ice skating, where the group enjoyed gliding across the rink alongside friends from the Blue River All Stars 4-H Club. The trip left everyone with happy memories and a newfound love for winter fun!

## Blue River Canoers Gift Wrapping Fundraiser

Blue River Canoers 4-H Club hosted a Gift Wrapping Fundraiser and celebrated the birthday of one of their fellow 4-H members, Pepper Jo! They added a touch of magic with beautiful bows, festive paper, and creative flair to each of the gifts they wrapped.

## Blue River Canoers Angel Tree

On December 2nd, the Blue River Canoers 4-H Club went shopping to buy gifts for their Christmas Angels. This was a wonderful way to help youth in need to have a wonderful Christmas this year. Thank you to the 4-H members who joined in on this community service act.
