

CONGRATS

MINI 4-H GRADUATION

On September 25th, many proud parents and grandparents gathered to watch several of last year's Mini 4-H youth become some of our newest traditional 4-H members. This ceremony congratulated the children in participating in our Mini 4-H program and welcomed them into the traditional 4-H program. Congratulations to those who attended and to others who were unable to attend. Each child received a 4-H binder, a certificate, a wallet card, and their very first 4-H pin. Our speakers included Purdue Extension Office Manager, Mary Eve (Miss Mary), and Lora Tucker, Vice-President of Harrison County 4-H Council. Refreshments and pictures followed the event. Children attending Kindergarten through 2nd grade are eligible for Mini 4-H. Traditional 4-H members are children in grades 3 through 12. Activities, geared toward this age group, are scheduled throughout the year. For more information on the 4-H program and how to enroll, call the Harrison County Extension office at 812-738-4236. 4-H is open to all Harrison County youth. Open enrollment begins on October 1st.
