WELCOME THE NEW YEAR!

Noticing the Moments that Shape our 4-H Journey

As we move into a new year, I've found myself reflecting on what truly makes 4-H special. It isn't the events, the ribbons, or even the milestones, but the people. The quiet acts of kindness that often go unnoticed, the way our young people step up for one another, offering support without being asked, the volunteers who give their time, their hearts, and often more than anyone sees. Those are the things that have written the story of this community.

I have learned so much from our youth: courage, unfiltered joy, and ability to find light even when the path is uneven. They've taught me more than they know, and I hold those lessons with a tenderness that's hard to put into words.

As we move forward this new year, I hope you continue to choose kindness first. Look for the ones standing quietly at the edges, steady hands and open hearts, and never forget to give yourselves the same measure of grace you so freely give to others.

Seasons change. They always do. And with each one, we're invited to reflect on where we've been and what we've given along the way. Know how deeply grateful I am for the memories, and the chance to be part of something that has meant so much to me since my early childhood.

Scholarship & Resume Workshop

January 8, 6PM

Indiana 4-H Scholarships are due January 25. Are your applications ready? High School 4-H'ers are invited to this workshop to help polish up your applications, see examples of strong resumes and cover letters, and get tips to help your application stand out. RSVP: scholarshipworkshop26.4honline.com

Indiana Teaching Scholarship is OPEN!

Due Feb 28, 2026

4-H'ers and young 4-H alums, are you thinking about becoming a teacher? High-achieving high school and college students who plan to teach in Indiana for at least five years can receive up to \$10,000 per year of college (up to \$40,000 total) from the Next Generation Hoosier Educators scholarship. Learn more at bit.ly/HoosierEducators, and submit your application by February 28, 2026.

Harrison County 4-H Junior Leaders

The Harrison County 4-H Junior Leaders are teens who step up to lead, inspire, and give back! This year, our teens gained valuable experience through retreats, service projects, and hands-on activities building skills that last a lifetime. If you're in grades 7 and up, and are ready to develop your leadership skills, mentor younger members, and make positive impacts in the community, Junior Leaders is the place for you! Contact us to learn how to get involved.

We want to hear from our Teens!

Purdue Extension Harrison County 4-H Youth Development wants to hear from YOU! We're always looking for ways to create programs that help teens gain life skills and open doors to future opportunities. Take this quick, anonymous survey to share what programs you'd like to see or think would make a difference. Your input will help shape the future of 4-H in our county! <https://forms.gle/SboVsVETPOywQuDZ8>

Dear 4-H Member,

Would you like to interact with other 4-H teens from the area, have three fun-filled days camping, and be a positive role model to younger 4-H members? Apply to be a Southern Indiana Camp Counselor! Using the QR Code below you will find a Southern Indiana 4-H Camp Counselor and Junior Camp Director Application for 2026, specific job responsibilities for these positions and a bio sheet. We will once again be camping at Country Lake Christian Retreat, located near Henryville. Camp dates for 2026 will be May 29th-31st. There are thirteen counties camping together from Southern Indiana – Clark, Crawford, Floyd, Harrison, Jackson, Lawrence, Orange, Scott, Washington, Dubois, Martin and Perry.

“2026 Camp Theme: Under the Sea”

We will be conducting interviews again! Once you submit your counselor application, **you will be provided with a link to sign up for your interview time via Jot Form**. Again, this year we will be completing all interviews via Zoom to help you prepare for future interviews, which are more likely to be hosted on a web platform in the current hiring process. **Interviews are mandatory to be considered for a Camp Counselor or Junior Camp Director position.**

2026 Camp Counselor Interview Schedule via Zoom:

- February 23, 24,25: 4 pm- 6 pm (15 Minute Intervals)
- You can sign up for any of these days, and they will be on a first-come, first-serve basis

Counselors are expected to attend the following trainings to prepare for their role:

Overnight retreat May 2nd and 3rd at Country Lake Retreat

- May 1st – Jr. Director Training
- May 2nd – arrival 9:30 a.m.- 10:00am
- May 3rd – depart in afternoon

May 28th 2026 at County Lake Retreat Center

- Arrive at 4:30pm and depart at conclusion of camp on May 31st

***You are responsible for your own transportation to the retreat and camp.**

Camp Counselors and the Junior Camp Directors will be chosen from the completed applications, as well as interviews. These applications are due back to the Extension office or uploaded via 4HOnline by **February 2, 2026**. Applications will be reviewed by the entire Southern Indiana planning team. Competition for Junior Director and Counselor will be tough, so please fill out the applications seriously and completely. We will only be accepting a certain number of counselors this year. Counselors will only be selected if they qualify based on the following criteria:

All Counselors: Application Details, Interview, Leadership Potential

New Counselors: Educator Recommendations

Returning Counselors: Past Performance, Initiative, Appropriate Behavior

The entire application process will be completed in 4HOnline. If you have questions or need assistance with this, please contact your local Extension Office. Once you submit your application, you will receive an email to sign-up for an interview time.

If you have any questions about camp, responsibilities of being a counselor or junior director please contact your 4-H educator.

Sincerely,
Southern Indiana 4-H Educators

Kentucky Volunteer Forum

4-H Volunteers from around the country are invited to attend the **2026 Kentucky Volunteer Forum**, a professional development and networking conference for 4-H and Extension volunteers across all program areas. 4-H Volunteers from all across the country will come to this event.

Here are some reasons to attend:

- Over 220 Workshops across 7 content tracks like Agriculture & Animal Science, Health, Leadership, Natural Resources, STEM, and more
- Networking opportunities with fellow volunteers and Extension professionals around the country
- Chance to build your skills, refresh your motivation, and bring new ideas back to our Harrison County 4-H program

Do not let the cost be a barrier to you; PLEASE reach out to the 4-H educator. We will find funds available to help cover registration so you can benefit from this terrific opportunity.

Check out the Kentucky Volunteer Forum page. Make sure you're completely enrolled before you start your volunteer duties!

The new 4-H program year begins October 1st. This means volunteers must also go to 4HOnline.com to re-enroll for the new program year. If you have a new position or leadership role, you must also sign a role description. Reach out to the 4-H Educator for a copy if you have not already done so.

See the Conference Schedule here: <https://bit.ly/47Ha3C2>

Let me know soon if you plan to attend. I'd love to have you represent Harrison County and bring back fresh ideas for our 4-H programming.

Thanks for all you do and I hope you'll consider joining the Forum!

Success Stories

North American Livestock Expo Trip

Harrison County 4-H members had a great time at the Dairy Goat Show during the North American International Livestock Expo in Louisville, KY! Members had the opportunity to meet other showmen and breeders, learn more about the dairy goat industry, and get hands-on experience with goats under the guidance of our 4-H Dairy Goat Superintendent, Jes Fisher. Thank-you to Jes and the dairy goat community who helped make this experience possible!

Growing into 4-H: New Member Orientation & Decopage Craft

Harrison County 4-H welcomed some of our newest members at a New Member Orientation. This was a great chance for families to meet the 4-H Educator, get their first 4-H Binder, discuss projects, clubs, the fair, and have a Q&A. The 4-H members even got to create a decopage project with wooden books!

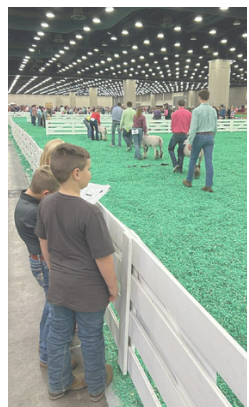

Mini Stone Soup

It was all hands and knives(!) on deck with our Mini 4-H'ers as we all worked together to make a big pot of Stone Soup. Each child brought and prepared items for either the soup or our sides of corn bread and fresh butter. Starting with a special soup stone, we followed the old folk tale to make a delicious vegetable soup. With everyone preparing a part of the meal it went together quickly. Best part was sitting down to share the meal and meeting some of our newest Mini 4-H members. Thank you to the Mini's for making this wholesome meal and thank you to the adults for helping not only with the preparation, but also the serving and clean-up.

North American Livestock Expo Trip

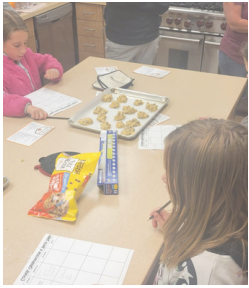

4-H members went to the North American International Livestock Exposition in Louisville, KY for a hands-on livestock judging experience. Youth had the chance to evaluate classes of beef and sheep learning what judges look for in high-quality livestock. It was a great opportunity for them to see top-level livestock and gain confidence in their judging abilities.

Overall, it was a fun, educational trip that helped our members build skills, meet new people, and experience one of the largest livestock events in the country. Thank you to our Harrison County 4-H Sheep Superintendent Miranda Ulery and Dairy Goat Superintendent Jess Fisher for this incredible experience for our youth!

Success Stories

Cookie Science Workshop

Our 4-H members had a fun and tasty day exploring cookie science.

Youth tested how changing just one ingredient, like using baking powder instead of baking soda, or melting the butter, could change the way a cookie looks and tastes. The original recipe was our control so everyone could compare their cookie to the regular version. They made their hypothesis, chose a variable, baked their batches, and enjoyed trying the results. It was a sweet and easy way to learn how experiments work!

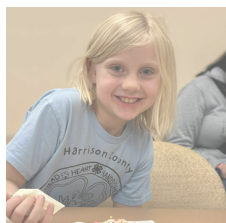

Harrison County 4-H Youth Recognized at 4-H Foundation Luncheon

The Indiana 4-H Foundation Luncheon on Saturday, November 15, was a proud moment for Harrison County 4-H. Isabelle Abner was honored for her outstanding community service and leadership as she received the Premier Civic Engagement Scholarship. Joel and Anna Sauerheber of the Blue River All Stars 4-H club also represented Harrison County at the annual 4-H Foundation Scholarship Event on Saturday, November 15. They spoke with Dr. Casey Mull, Program Leader for 4-H Youth Development at Purdue University, about their Seasonal Sensations for Seniors Project. Their club earned \$1,000 YES Grant from the Indiana 4-H Foundation to create thoughtful, seasonal gifts for nursing home residents. Their collection included filled Easter eggs, flower pens, flags, petal pops, leaf magnets, beaded Indian corn, beaded candy canes and Christmas cards. Joel added to the celebration by leading the 4-H Pledge during the event. It was a wonderful day to celebrate youth leadership, creativity and service.

Corydon Central Clovers Holiday Celebration & Meeting

The Corydon Central Clovers 4-H Club celebrated the season with a Holiday party! The 4-H'ers had a great time decorating cookies, creating their own ornaments, and writing letters to Santa. It was a great time for the club to come together, get creative, and enjoy the spirit of the season. For more information on how to join this club, contact 4-H Club leaders Miranda Ulery and Jess Fisher.

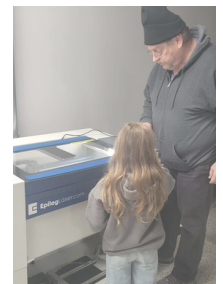

Harrison Hoosiers 4-H Club Salvation Army Bell Ringing

Harrison Hoosiers 4-H Club had a great time ringing the Salvation Army Bell at Walmart on a Wednesday evening in December! Contact club leader Amanda Uhl for more info on joining this club!

4-H creativity at Lifelong Learning

4-H families had a blast at Harrison County Lifelong Learning, Inc., creating festive dog ornaments! Participants got hands-on experience with the design process, learned how a laser engraver works, explored the Maker Space, and took home their very own custom dog ornament. The \$20 program fee supports the local animal shelter and their adoption events!

Grants & Scholarship Opportunities

Harrison County 4-H Program awarded STEM Grants!

Harrison County 4-H is celebrating big news! The program has been awarded three incredible grants to take youth programming to the next level. 4-H Educator Anna Denny, who wrote two Indiana 4-H Foundation STEM Grants and one Premier Ag Grant.

The UAV Expansion Grant provides a 12-pack CoDrone EDU Classroom kit along with storage and charging equipment. This will give students hands-on experience with drones, prepare them for the state 4-H drone competition, and allow for thrilling drone demonstrations at the county fair.

The Robotics and 3-D Design Lab is getting a major boost with a new Bambu Lab P1S 3-D printer, a filament starter pack, workstation desk, two SPIKE robotic kits, and replacement laptops. Young makers will now have the tools to explore robotics, 3-D printing, and cutting-edge STEM projects like never before.

Thanks to a Premier Ag Grant, Harrison County 4-H will now have its very own Blender Bike. This exciting addition will be featured at Ag Days and used to teach fun, hands-on lessons about nutrition, fitness, and healthy living.

These grants are more than just equipment. They are opportunities for Harrison County youth to explore, create, and lead in STEM and agriculture. The future is bright for 4-H.

YES Grant Application Portal Open December 15

The YES Grant from the Indiana 4-H Foundation gives youth the chance to bring meaningful community service ideas to life. Young people can apply for funding up to about \$1,000 to support projects that make their community better. The application window for the 2026 YES Grant opens on December 15, 2025, and closes on March 15, 2026. If you have an idea that helps others, strengthens Harrison County, or solves a problem you care about, this is your chance to turn that idea into real impact!

Harrison County 4-H members were awarded two YES Grants this year, highlighting the leadership, creativity, and compassion of our local youth. One grant supported the Blue River All Stars project called Seasonal Sensations for Seniors, and the second grant funded the Birthday Bundle Project. Both projects show the powerful impact young people can make in Harrison County when they are given the opportunity to lead and serve.

Grants & Scholarship Opportunities

Next Generation Hoosier Educators Scholarship

bit.ly/44euOEa

The Next Generation Hoosier Educators Scholarship gives driven Indiana students who want to become teachers a powerful head start. If you're a high-school senior (or an early college student) with strong academics, top 20% of your class, a high ACT/SAT score, or a 3.0 GPA, this scholarship offers up to \$10,000 per year for four years of college!

Indiana 4-H Scholarships

The Indiana 4-H Foundation helps 4-H youth achieve their dreams by awarding college and post-high school scholarships based on your 4-H achievements. Every year they distribute hundreds of awards statewide through programs like the 4-H Accomplishment Scholarships and the 4-H Senior Year / Foundation Scholarships. Whether you've excelled in animal science, plant and environmental science, leadership, healthy living, communications, or citizenship, 4-H recognizes those efforts.

If you're a 4-H member in grades 10-12 (or just graduated) planning college, trade school, or further training, this scholarship program could help ease the cost and reward all the time, passion, and hard work you've put into 4-H. See the next page of this newsletter for more information, or go to bit.ly/4hscholarship

National FFA Organization Scholarship

If you are an FFA member, whether you plan to attend a two-year program, trade school, or a four-year college, FFA's scholarship program can give you a big boost. With just one application, you can be considered for dozens of scholarship opportunities, with the total pool for 2025-26 nearing \$2.5 million. The deadline to apply is January 15, 2026.

This is a great opportunity for students involved in agriculture, animal science, plant science, or related fields. If you have shown leadership, worked hard in FFA or 4-H, and are planning to continue your education, this could help make those plans a reality.

Agriculture Future of America Scholarships

agfuture.org/scholarships

The AFA Scholarship program gives high-school seniors and current undergraduates who plan to major in agriculture, food, or natural-resources fields a chance to earn funding and a powerful start to their college career. With one application, you become eligible for over 100 different scholarship opportunities — from about \$1,600 to \$3,200. The 2026 application round is open now, with a deadline of March 5, 2026.

Selection is based on more than just grades. AFA is looking for students with real passion, leadership, community involvement, work or volunteer experience in agriculture or service, and a clear commitment to pursuing a food- or ag-related career.

If you're a 4-H or FFA senior who's worked with animals, crops, or community projects, or simply care about food, farming, or the environment, this scholarship could be your ticket to afford college and connect with a network of future leaders in ag.

Need help with an application?

Please reach out to the 4-H Youth Development Educator, Anna Denny at denny4@purdue.edu. She can help you look over your application, polish up your resume, and give you some tips!

Senior Year Scholarship

Available to 4-H members in their senior year of high school

Club Scholarship

Available to 4-H members entering Purdue University majoring in the College of Agriculture or select majors in the College of Health and Human Sciences

Purdue Horticulture & Landscape Architecture Scholarship

Available to a 4-H member majoring in horticulture or landscape architecture at Purdue University and studied plant science in 4-H.

Accomplishment Scholarship

Available to 4-H members in grades 10-12 of high school and the year immediately following high school graduation. The purpose of the 4-H Accomplishment Scholarship is to recognize youth who have excelled in life skills development through their 4-H activities and involvement.

Categories: Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food and Nutrition Science; Leadership Development; and Plant and Environmental Science. Three additional categories are reserved for applicants demonstrating life skills development in more than one of the previously listed categories. Those are Premier Achievement, Premier Citizenship, and Premier Leadership.

Eligibility: Applicants must be in grade 10, 11, 12, or their first year immediately following 4-H enrollment eligibility at the time applications are due. While an applicant does not have to be a current 4-H member, they must demonstrate multiple years of involvement in Indiana's 4-H Youth Development Program.

Youth who have previously been awarded a \$1,000 accomplishment scholarship are only eligible to compete in the Premier Achievement, Premier Citizenship, and Premier Leadership categories. Youth who have previously been awarded a \$2,000 scholarship are no longer eligible to compete in any category.

Awards: A minimum of thirty \$1,000 scholarships will be awarded to youth based on their demonstration of life skills development in these eight categories: Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food, and Nutrition Science; Leadership Development; and Plant and Environmental Science.

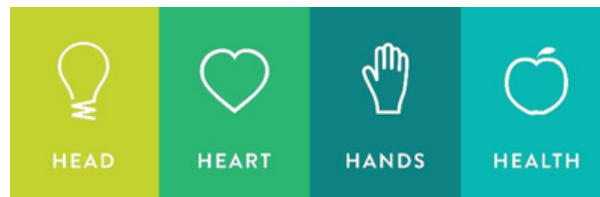

A minimum of one \$2,000 scholarship will be awarded in each of these categories: Premier Achievement; Premier Citizenship; and Premier Leadership.
