

# MINI 4-H COOKING CLASS: CLASS:

## LUCIOUS LUNCH!

The Nov 6th 4-H Mini cooking class, Lucious Lunch was a hit with both the Mini 4-H participants and their adult helpers. Bruschetta, Italian Pasta Salad, and mini pizza made up the menu. The children sliced, stirred, mixed, cooked, baked, and, of course, ATE. It's a wonderful feeling having a full kitchen and sharing a meal together. I am thankful to both the children and the adults for making this a special evening.

- MISS MARY

# MINI 4-H COOKING CLASS:

## CLASS:

## LUCIOUS LUNCH!

Preparation is key to a successful and fun cooking experience, as we learned during the 2nd 4-H Mini Lucious Lunch cooking class. A different bunch of aspiring chefs had a great time creating the Italian-inspired meal of Bruschetta, Italian Pasta Salad, and individual Quick & Easy Pizza. Each Mini also received a handmade potholder to help them continue growing their confidence in the kitchen.

The story at the end of this class, "Thanksgiving at the Tappleton's", told the story of several food mishaps involving a Thanksgiving meal and how the family learns Thanksgiving is not just about the food. "We're together. That's what matters-not what's served upon the platters".

Thank you to both the participants and their adult helpers,

- MISS MARY
