

AGRICULTURE & NATURAL RESOURCES NEEDS ASSESSMENT SURVEY

WE VALUE YOUR INPUT!

Purdue Extension Harrison County Agriculture and Natural Resources wants to make sure that we are meeting community needs to help educate farmers, producers, and community members. This survey will be used to determine what types of agricultural programs community members would benefit from and what they would most like to see.

If you have additional questions please contact Ariel Camm-Wilson, Harrison County Agriculture and Natural Resources (ANR) Educator at 812-738-4236 or camm@purdue.edu.
