Fall District Meeting: You are One in a Buzz-zillion" 2025

The Fall District Meeting took place on Wednesday, March 26th, 2025, in Scott County, Indiana, where attendees enjoyed a day filled with engaging presentations and lively discussions.

The meeting kicked off with a fantastic opening skit, which even featured the state's very own "Queen Bee," Linda Carunchia! Scott County President Tammy Hall warmly welcomed a banner-worthy crowd to the event.

Anna Abbott, Ag Teacher and FFA Advisor at Scottsburg High School, shared insightful information on pollinator gardens, highlighting their importance for local ecosystems. Doug and Ellie Lee followed with an informative session on the life of bees, demonstrating the equipment used in beekeeping. Doug added a touch of humor with some great bee jokes, making the presentation both educational and entertaining.

We were excited to have 10 members from Harrison County Homemakers in attendance, contributing to the great spirit of the day. Even more special, our very own Barbara Donahue, President of Mauckport club, received the First Timer Scholarship to attend the Home & Family Conference in Indianapolis this year! Congrats Barb— a well deserved honor!

Overall, the day was a fantastic opportunity for Homemakers from around the district to gather, learn, and share in a celebration of community and local knowledge!

From Cookies to Books: How Community Support is Building Young Readers

Have you ever bought cookies from the Cookie Walk during Light Up Corydon in November? You might not know that the proceeds from this event directly support the **First Books for Kids Program**. This initiative is all about nurturing a love for reading and promoting early literacy by putting books into the hands of young children. The program focuses on ensuring that kids, especially those ages 3 to 5, have access to high-quality books that help build their reading skills and develop their own home libraries.

Thanks to the ongoing efforts of the Harrison County Extension Homemaker's organization, the First Books Program is growing and reaching more families every year. Currently, the Harrison County Extension Homemakers are reading to 12 preschool classes each month and giving every child a copy of the book they read—totaling over 100 books each month throughout Harrison, Crawford, and Floyd counties! Your support through events like the Cookie Walk is truly making a difference in the lives of local children and their educational futures.

Marcia Dodge, County President of Extension Homemakers, is pictured reading to a class. The children were thrilled to have her visit and excited to take the book home to share with their families!

May Achievement Day-Tuesday, May 14

Tuesday, May 13, 2025

Purdue Extension Building

Registration 9:30 a.m.-Program 10:00 a.m.

The theme this year is “Back Home Again in Harrison County”!

All homemakers please bring a food dish (examples: salad, entrée or dessert) for the pitch-in lunch. Tea and coffee will be served with lunch. Refreshments will not be available in the morning. One person from each club should give a 5-10 minute talk about their club's highlights and happenings. Each club is asked to bring a \$5 door prize. Nametags will be available.

A State IEHA guest will attend the meeting and officiate over the swearing in of our County officers.

This year's Harrison County Scholarship winners will be recognized during the meeting. Due to the generosity of those bidders and buyers at the 2024 pie auction, the Homemakers will be distributing scholarships to 5 young people this year.

Send names of the 25, 30, 35, 40, etc. year members to Marcia Dodge by May 1. Give the names of those members who've passed since last May Achievement to Marcia Dodge, also by May 1, for the Memorial Service. A club member may wish to speak about the person. Info can be emailed to dodgem60@aol.com. Use club name and either tenure or memorial in header.

Give names of any new members to Marcia Gliottone by May 1. New member cards are available at the Extension office. Completed cards should be turned into the office for addition to the newsletter address list. New club members will be recognized.

Bring your Cultural Arts items for judging. This year's special cultural Arts item is a Placemat. The shape is up to you, round, oval, rectangle, etc. Whatever shape you choose, the dimensions must be 14 x 20 or less. The finalists' articles will be going to the Home and Family Conference for the State competition.

Homemaker volunteers will be in charge of Cultural Arts and Special Project items. Voting for the “Homemade Placemat” and other Cultural Arts category items (Knit, Crochet, Quilting, Needlework, and Crafts) will take place during the lunch hour. Check in Cultural Arts items and Placemat **before 10:00 am.**
