Extension - Harrison County

Happy Summer, all!

As the sun stretches it's golden fingers across the sky, we're reminded of the spectacle that is Summer— bringing with it a whirlwind of warmth, adventure, and the unmistakable buzz of excitement.

While the sun sets on another amazing Harrison County Fair, I anticipate we are still buzzing with the memories of joy, laughter, and excitement that filled the air on those summer days and evenings. From the 4-H youth exhibit hall entries, to the youth livestock projects, and then the 111 open-class exhibitors showing a total of 805 exhibits, this year's fair was a true celebration and showcase of our community's many talents, hobbies, and interests.

The amount of time, effort, dedication, and "all-hands-on-deck" mentality shown by all entities, not only during Fair but in the months prior, is surely noteworthy. **Congratulations** and **thank you** to everyone on a job well done!

Be sure to also check out some additional 2024 Harrison County Fair recaps in the IEHA section later in this issue.

Also, the Indiana State Fair is just around the corner— August 2-18, 2024 along with so many other opportunities the summer season has to offer. Be sure to check it out!

So grab your sunscreen and your sense of curiosity. I hope the remainder of your summer is filled with inspiration, innovation, and the joy of lifelong learning. Together, let's make this season one to remember, where every moment is an opportunity to grow, explore, and thrive!

So many projects, it was difficult to pick out any favorites-canning, crafts, cakes, crochet, and canna.

The Floriculture display though was definitely the star of the show. With the extra 2 weeks of sun and rain, the flowers really took off!

A Word from the President

What a great Fair! Over 800 projects were entered into the Open Class Competition. We are finally back to pre-COVID numbers.

It's amazing how just a couple of extra weeks of sun and rain produced a gorgeous array of flowers and plants and an increase in the amount of fruits and vegetables entered this year.

I'm thankful for how hard our homemakers worked to clean up the Homecomers Hall, and to check in and arrange the projects, not to mention the quantity and quality of the projects entered.

I appreciate every day the willingness of the Homemakers to volunteer their time and talents in so many ways, not just at Fair time. They read to preschoolers, check on our older members, bake cookies for both the Repair Affair and the Cookie Walk and just enjoy each others' company!

*Thank you my friends,
Marcia Dodge*
