

Health & Human Sciences Connections

Season's greetings!

As you saw in my last newsletter, we were soon expecting our 3rd blessing (a baby boy). I am pleased to say, Noah arrived on November 29, 2023, & we are all taking in the excitement, time together, and just adjusting as we navigate becoming a family of five. Noah is the sweetest and most perfect addition to complete our family.

Speaking of excitement, there are TONS of things going on around the county this time of year as well as within our Extension Office. Have you seen our newly added Calendar of Events, yet? If not, you can find the calendar link under the "About" section of our Facebook page OR on our Purdue Extension Harrison County website. Anything underlined on the calendar is also hyperlinked to the event flyer. So, be sure to click on it and save it to your phone for easy reference later. It truly is such a great tool and resource to stay connected!

In the meantime, know that if you have any questions or concerns related to Health and Human Sciences and/or Community Development, the Harrison County office is able to assist and get you the answers you're after. So, as questions arise, feel free to reach out to our office and they will get you connected to fellow colleagues in neighboring counties who are well-equipped and willing to answer your questions!

Happy Holidays, and wishing each of you a bright New Year!

ARE YOU PREPARED?

Take time to check your disaster preparedness kits for your home, car, and at work. Be sure to have some cash on hand and supplies for the cold weather. Do you have extra medications, whether over-the-counter or prescription, on hand? Do you have extra copies of important documents stored in a location other than your home?

Emergencies can happen at any time, but during the bitter cold of winter, one can be in real danger very quickly. Lanterns, flashlights, blankets, toiletries, and extra warm clothing, including boots, can save your life. Hand-cranked lanterns and flashlights are great because you do not need batteries. Fresh water is also important. Have food supplies that provide protein and extra calories to help you stay warm. Have extra charger packs and batteries for electronic devices. Be ready to shelter in place and to be able to take care of yourself and your family for at least 3 days. Remember to include in your preparations, the furry members of your family!

Dress for cold weather. If you plan to be active outdoors, wear clothes that fit well and keep you warm and dry. For protection, it's best to wear:

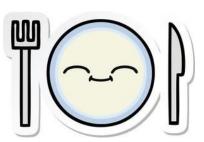

- A warm hat. If it's very cold, you also may want to wear covering for your face, such as a scarf or ski mask.
- Layers of clothing to keep you warm. Wear waterproof outer layers to keep you dry.
- Clothing made of wool or polypropylene. These will keep you from losing body heat even if the fabric gets wet. Don't wear cotton.
- Wool socks and waterproof shoes. Socks and shoes should fit closely but not too tight.
- Mittens rather than gloves. This way, your fingers are together so you can roll them into a fist for warmth.

Extension Homemakers- Holiday Workshop, Tuesday, November 7, 2023

Extension Homemakers Holiday Workshop: Tuesday, November 7th, the Harrison County IEHA had their annual Holiday Workshop at the Extension Office and what a great event it was! Each club did a creative 15 minute demonstration on how to make a specific food or craft. Even Extension office personnel Tara Beckman and Mary Eve got in on the act. The various clubs also brought wonderfully prepared items for lunch and Christmas crafts to sell. Members supported one another through purchases so each club can better carry out the mission of the Extension Homemakers. Santa made a special appearance carrying a bag filled with baby shower gifts to surprise expectant mother and Extension HHS educator Tara Beckman. Everyone had such a fun time getting together and we are already thinking about next year!

Great things happen in the county! Harrison Co. Extension Homemakers are quietly working in our local communities doing amazing things to little fanfare—from supporting cancer research to helping at the county fair, we are impacting the Indiana family for the better. Want to join us and make a difference? Contact Harrison County Extension Homemaker Vice President, Marcia Gliottone at 812-267-5573 for more information.
