- **Meet with friends and neighbors in educational and social settings**
- **Share experiences and information**
- **Keep up-to-date on new knowledge and research**

GROW ...

- **Experience personal growth and develop skills**
- **Form lasting friendships while sharing leadership responsibilities for programs and projects**

CARE ...

- **Make a difference in today's world.**
- **Support projects that help children and families live better lives**

EXTENSION HOMEMAKERS CREED

**We believe in the present and its opportunities,
In the future and its promises,
In everything that makes life large and lovely,
In the divine joy of living and helping others.
And so we endeavor to pass on to others
That which has benefited us,
Striving to go onward and upward,
Reaching the pinnacle of economic perfection,
In improving, enlarging, and endearing
The greatest institution in the world...
The Home.**

PLEDGE OF ALLEGIANCE

**I pledge allegiance to the flag of the United
State of America
And to the Republic for which it stands,
One Nation, under God, indivisible,
With Liberty and Justice for all.**

MISSION STATEMENT

**The mission of the Extension Homemakers
Association is to
strengthen families through continuing education,
leadership development, and volunteer
community support.**

VISION STATEMENT

**The Indiana Extension Homemakers are
dedicated to empowering and enriching the
lives of individuals, families, and
communities.**

The IEHA logo depicts our Extension Homemaker Organization with a unique combination of symbolism.

The three figures depict the endless combination of family members, representing male and female, adult and child.

The letters, IEHA, or association's acronym, form an important portion of the home by providing support.

The roof of the home extends beyond the perimeter of the design indicating that the influences of IEHA extends beyond the home and the family to the surrounding community.
