This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Reference Sheets are available at the Extension Office for use if needed.  - Junior division - Participants must be grades 3-7 in January of current year.
 - Senior division - Participants must be in grades 8-12 in January of the current year.
- It is highly recommended that youth use the right size bike according to bicycle manufacturer guidelines to prevent stress on the body and damage to the equipment.
- Official judges may deem a bicycle unfit for use in the rodeo because of maintenance and/or safety hazards.
- The penalty scoring system is to be used. Unanswered or incorrectly answered questions and violation of rules will draw penalty points for the participant. In each division, the participant who completes the course with the lowest total score or number of penalty points will be the winner.
- In case of a tie score for a trophy or trip award, the tie will be broken by using the following system:
 - 1st tie breaker - participants' written exam score
 - 2nd tie breaker - participants' maintenance/safety event score
 - 3rd tie breaker - participants' parts identification score
 - 4th tie breaker - participants' skill event score #1 score
 - 5th tie breaker – participants' skill event #2 score
- The Superintendent and Assistants of the contest along with the 4-H Extension Educator will decide any rule or interpretation not covered here. Their decisions shall be final.

- Each participant will take a written quiz. The Junior Division will consist of 15 questions and the Senior Division quiz will contain 25 questions. Each question incorrectly answered will add 4 points to the participant's score.
- Quiz questions will be drawn from the Indiana 4-H bicycle manuals, Indiana State traffic rules and regulations pertaining to the operation of bicycles will be covered.
- Junior division participants will be expected to find 5 maintenance and/or safety problems on a bicycle. Senior division participants must find 10 maintenance and/or safety problems. A penalty of five (5) points will be assessed for each maintenance and/or safety item missed or incorrectly listed.
