# Purdue Day of Giving

Purdue Day of Giving is a 24-hour online-based fundraising effort taking place on April 30, 2025. On this day, Purdue students, alumni, faculty, staff, retirees, parents, friends, and fans are encouraged to give back to the university—and small donations can make a big impact in helping Purdue transform lives and change the world.

Gifts can go even further through our hourly and full-day challenges, and any gift can help your favorite unit (campus, college, school, program, or student organization) claim the top spot on our donation and participation leaderboards, which will win them bonus funds!

## How do I make a gift?

First, visit our homepage to add a calendar reminder or receive an email reminder for Purdue Day of Giving. On April 30, 2025, be sure to come back to this website (<https://dayofgiving.purdue.edu/info/faq>)! You will be able to click any button that says “Donate” or “Give Now,” and directions will be provided. You can also make a gift by phone during Purdue Day of Giving at 1-800-319-2199. Thank you for your willingness and eagerness to support the university!

Be on the lookout for the link to donate directly to Purdue Extension- Jasper County. All donations made will go towards programming efforts for the upcoming year.

## Is there a minimum donation amount?

Yes, there is a \$10 minimum gift on Purdue Day of Giving. Here’s how it works.. for every donation of only \$10, we get a county point. Large donations are great, but they only count for 1 point!
