Jennings County 4-H handbooks are now available for pick up! We are excited to add 2 projects to our County Only project list. New 4-H members and volunteers may pick up a complete handbook. Returning 4-H members and volunteers may pick up handbook revisions from the Extension Office. Handbooks and revisions will be available one per family.

February 4-H Newsletter

Jennings County 4-H

February
2026

Dear 4-H Families & Volunteers,

We are only 5 short months away from the Jennings County Fair. We still have many 4-Hers that were enrolled last year that have not yet enrolled in 4-H for 2026! Please get enrolled as soon as possible to continue to receive mailing and information regarding upcoming events. As a reminder, to register for IQLC, Camp, and other 4-H Events, members must be enrolled and have paid their county enrollment fee.

Volunteers, if you are currently serving as a volunteer already this year, you **MUST** complete your enrollment as soon as possible. If you have questions or need any help with enrollment, please contact the extension office at 812-352-3033.

All the best,
Rebekah Cartwright
4-H Youth Development Educator

2026 Handbooks

New 4-H Members and volunteers may pick up a complete handbook. Returning 4-H Volunteers may pick up handbook revisions from the Extension Office. Handbooks and Revisions will be available **one** per family.

Livestock and Fair Schedules

The Livestock and Fair Schedule has been updated. There are quite a few significant changes from what you may be accustomed to. Please review it carefully and acknowledge the changes. Please refer to page 3 and 4 of the newsletter.

Project Manuals

Project manuals for projects you selected in 4-H Online can be picked up from the Extension Office. Not every project requires a new manual each year so be sure to check with us before you make the trip to pick up your manuals!

Indiana 4-H Quality Livestock Care (IQLC)

Registration through 4-H Online is now open. 4-H Livestock Members showing beef, dairy, dairy goats, meat goats, poultry, rabbits, sheep, and/or swine must attend one of the 3 offered dates or complete the online YQCA Training. Please be sure to register online prior to the event. IQLC is an annual certification. Refer to the dates on page 4 to see which date will best fit your schedule.

Southeastern Indiana 4-H Camp Dates

Camp Dates:

- Junior Directors, Group Leaders, and Counselors will report to camp from June 1-5.
- Counselors in Training and Campers will report to camp from June 2-5.

Camp Registration

- Be on the lookout for Registration! It will be opening soon!

Junior Staff Upcoming Dates:

- All Junior Staff
 - April 11th from 9 am - 3 pm at new Decatur County Extension Building.
 - May 6th from 6-8 pm at SEPAC

Payment is due May 1st of 2026.

Animal ID

4-H Members enrolled in livestock projects will be receiving a mailing with more information about Animal ID Day and requirements. If you do not receive the mailing a week before your scheduled Animal ID Day, please contact the Extension Office. Refer to the Livestock Schedule on Page 4 for upcoming Animal ID Dates.

Premise ID

Registering your premises may be done online, at no charge, and takes only about 5 minutes. Visit the Indiana State Board of Animal Health's (BOAH) website: www.in.gov/boah/2642.htm. Please get your Premise ID number before the tagging day! To verify your premises ID, contact BOAH at email animalid@boah.in.gov. All Indiana premises associated with the purchase, sale, and/or exhibition of cattle, swine, sheep, goats, and farmed cervids must be registered by state law.

Jennings County and Area 1 Livestock Workshops

Jennings County "Show Me The Way"

This year our Jennings County Junior Livestock Committee is bringing back the "Show Me The Way" Program on March 14th! This is intended for 4-H members looking to improve their showmanship skills and learn from tenured members about specific livestock projects. If you are new to a livestock project or need more practice and want to learn more, this is the program for you! Please see page 5 of the newsletter for more information!

Area 1 4-H "Beyond Ready to Show Livestock"

Hone in your skills you learned from the Jennings County "Show Me The Way" Program and take your showmanship skills to the next level with advice from Livestock Judges. Need to get your Quality Care Training done for the fair? If so, we invite you out for a day long Animal Science and Showmanship Workshop! The event will be separated into 2 age-appropriate traveling groups. See page 7 of the newsletter for more details!

NEW* 2026 Jennings County 4-H Livestock Schedule *NEW

Upcoming School Programs

This spring semester, our office is bringing back two hands-on agriculture programs into Jennings County classrooms. The Chicks in the Classroom program allows students to observe chick development, hatching, early chick care responsibility, and animal agriculture by incubating and hatching eggs.

The Grow Tower program gives students the opportunity to plant, grow, and harvest produce while learning about plant needs, nutrition, and sustainable food systems. This is done in a hydroponics grow system where we grow produce in the winter months.

Together, these programs connect science concepts to real-world agriculture in an interactive and memorable way. We are very excited as these programs have started and will last the rest of the school year.

Importance of Record Keeping.

- As tax season approaches, February is a timely reminder of the importance of good recordkeeping in agriculture. Keeping receipts, production notes, and expense records organized throughout the year can save time, reduce stress, and help ensure nothing is overlooked. Starting early and staying consistent makes keeping records easier and provides valuable insight for planning and decision-making as the year moves forward.

Purdue on the Farm

Purdue On the Farm program offers farmers the opportunity to conduct research right on their own operations, turning everyday management questions into useful, real-world data. The Jennings County ANR Educator will be offering this program again this year and is looking for farmers interested in participating. Research projects can include trying different seed varieties, comparing tillage practices, or exploring any on-farm question you are curious about. If you are interested in participating or learning more, please reach out to peter516@purdue.edu

Materials Available

Stop by our office or check the display in the hall outside to see the materials available. If you are interested, feel free to come in and pick some up, or call ahead to ask about what we have on hand.

Upcoming PARPs and Events

- February 10th Jennings County Ag PARP 9:30-12:30
- February 17th Decatur County Ag Winter PARP 9-12
- February 18th Jackson County Ag Winter Meeting PARP 9-12
- March 5th Ripley County NoTill PARP 9-11:30
- March 10th Jefferson County Tobacco PARP 6-8:30 pm

Check out the Purdue On The Farm YouTube for a bi-weekly crop and weather update:

<https://www.youtube.com/@PurdueOnTheFarm>

Visit -

<https://ag.purdue.edu/departments/hla/extension/publications-and-newsletters.html> or search HORTICULTURE EXTENSION NEWSLETTERS to get signed up for topics such as gardening, fruit, lawncare, flowers, weeds, and insects, and much more. Most newsletters are a simple weekly or bi-weekly email that discusses what growers are seeing across Indiana at the current time. This helps growers of all sorts know and identify any issues they are having in their own landscape. If you are having trouble getting signed up, reach out to our ANR Educator for help.

Health & Human Sciences

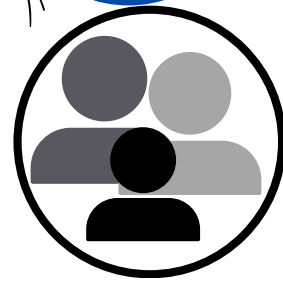

February
2026

February is Heart Health Month

Did you know that heart disease is the leading cause of death in the U.S.? Know your risk and protect your heart. Follow us on Facebook during the month of February to learn ways to keep your heart healthy.

Friday, February 6 is
National Wear Red Day!
Sport your favorite red
clothing and show your
heart some love!

Captain Cash Sets Sail in February!

It is never too early for children to learn how to become eager earners, savvy savers, wise spenders, and careful borrowers. This financial literacy program engages children in money-smart activities and takes them down the road to financial fitness. Captain Cash set sails this February with Hayden, Sand Creek, and CC-NV third grade students.

Each student will participate in four class sessions with take home parent newsletters given at the end of each lesson. Newsletters contain suggested at-home games and activities that focus on earning, saving, planned spending, and wise borrowing of money. Each session introduces money-related vocabulary words and teaches money concepts that are based on Indiana Academic Standards for Math and Social Studies.
