

### 2025 KNOX COUNTY WHEAT VARIETY TRIAL

Attached are the results from the Knox County Purdue Extension Wheat Variety Trial. We want to express our appreciation to our Cooperator: Farm Superintendent Dennis Nowaskie at the Southwest Purdue Agricultural Center (SWPAC) for his patience and cooperation in allowing us to conduct this wheat trial on his farm. If you have any questions about this plot, don't hesitate to contact us (our information is listed below).

**NOTES:** Thanks are due to Sarah Brackney and Valerie Clingerman for their efforts in coordinating the trial. Contact us if you would like more information about these plots.  
Thank you- Valerie, Kenneth, Amanda, Sarah, and Abby.

<b>Average</b>		<b>122.4</b>	<b>55.0</b>	

**Notes:**

\*Most plots had plants that fell over due to strong winds

\*Had some deer browsing in plots

\*728 had heads missing in many plots-unknown if deer browsing and/or other factors involved

**Thanks to Cooperators: Dennis Nowaskie, Southwest Purdue Ag. Center in Knox County**

**Thank you to all of the seed companies that provided seed and fees for this year's plots!**  
**Their contact information is on this sheet.**
