June 2025

## 2025 FAIR EDITION

---

### Mark Your Calendars – Fair Season is Almost Here!

Get ready for a fun and busy summer! The upcoming 4-H Fair is just around the corner and promises to be one of the highlights of the season—filled with opportunities to showcase talent, creativity, and community spirit.

This June edition of the *Clover Close-Up* is packed with everything you need to stay informed and make the most of your fair experience. From key announcements and reminders to helpful tips and event details, it's your go-to guide for a successful fair season.

We can't wait to see all the hard work, innovation, and excitement come to life! Be sure to invite your friends and family to join us in celebrating the incredible efforts of our 4-H members.

---

## Let's Talk About Communication

### We Want Every 4-H'er to Have All the Info They Need to Shine.

Each year, our office and the dedicated 4-H volunteers on our committees work hard to make sure every 4-H family has the information they need to succeed—especially during the busy summer months leading up to the Fair.

We use every tool at our disposal:

- \*Monthly newsletters
- \*Social media updates
- \*Reminder emails
- \*Mailed letters
- \*The Band app

We know that life is busy. Between work, sports, school, and everything else, emails can be missed and posts can scroll by. That's why we do our best to put the information in **multiple places, multiple times**. But we also need your help.

Please take a moment to:

- \*Read through the newsletter (you're doing that now—yay!)
- \*Check your email (and maybe your spam/junk folder)
- \*Join and monitor the Band app, if your Livestock project uses the Band app
- \*Follow our Facebook page
- \*Ask if you're unsure—we're happy to help!

Our volunteers spend countless hours in preparation for and during the Fair. They're not paid for their time—the only reward they receive is the joy of seeing your child grow, learn, and succeed.

The success of your 4-H experience relies on communication being a *two-way street*. We're committed to keeping everyone informed—but we ask that families make it a priority to stay connected and up-to-date.

We appreciate you. We see how hard your kids work, and we want to see every single one of them shine at the Fair. Let's work together to make sure no one misses out because of a missed message.

Thank you for being a part of our 4-H family!

## Welcome Summer Staff

### Meet Our Summer Staff!

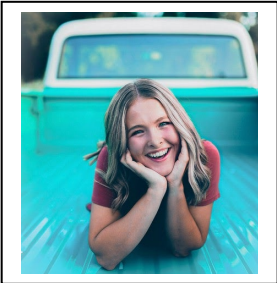

We're thrilled to have two fantastic summer staff members joining us this year! They'll be lending a hand with fair preparations, project check-ins, and all the behind-the-scenes work that helps 4-H run smoothly. They've each written a short introduction so you can get to know them better—be sure to say hello when you see them around!

#### Alyssa Swanson

Hey everyone, my name is Alyssa Swanson and I am thrilled to be one of the 2025 4-H extension summer staff! I am currently a Junior at Coastal Carolina University where I am studying Elementary Education and I wouldn't be where I am without my 4-H career. Throughout my 10 years of 4-H I completed a multitude of projects, some of my favorites being dairy, rabbits, arts and crafts and photography. I also had the honor of serving as the 2022 4-H Queen! 4-H taught me a multitude of lessons from leadership and responsibility to how important community is. I am so excited to be a part of this fair season and watch each 4-H'er grow and learn new things. Let's make it an unforgettable season full of laughter, learning, and new friendships. If you ever need anything, feel free to reach out at [swanso88@purdue.edu](mailto:swanso88@purdue.edu) or stop into the office to visit me!

#### Morgan Himes

Hi everyone! My name is Morgan Himes, and I couldn't be more excited to be back with my 4-H family! I had the incredible honor of serving as your 2024 4-H Queen, and now I'm thrilled to return as your 2025 4-H Summer Intern. I'm currently heading into my sophomore year at Purdue University, where I'm studying Speech, Language, and Hearing Sciences. Being back at the fairgrounds with all of you feels like coming home. I can't wait to cheer you on, celebrate your hard work, and watch all the amazing things you accomplish this year. Don't be shy come say hi, share a laugh, or even give me a hug! And here's a little piece of advice I've learned along the way that I want to share with you all: Never underestimate the power of showing up and being kind. The smallest moments often turn into the biggest memories—so soak it all in, give it your best, and be proud of how far

you've come. I cannot wait to see you all! Let's make some memories this year. You can reach me at [himes7@purdue.edu](mailto:himes7@purdue.edu).

- **Volunteer Enrollment Deadline** – Volunteers must be fully enrolled and approved
- **Auction Form** - check your email

---

## Don't Panic: QLC & YQCA Are Both A-OK!

**We've heard the whispers...**

"Do I need QLC *or* YQCA?" "Which one is the *right* one?" "What if I did the *wrong* one?"

Here's the deal: **both QLC and YQCA are accepted** for participation at the **County and State Fair**. So if you've completed **either one**, you're good to go!

No need to double up or stress—just make sure it's on your record and you're all set.

---

## It's FairEntry Time!

FairEntry is the online platform we use to register **all 4-H projects and animals** for the **Kosciusko County 4-H Fair**. Your entries help us create show programs, print exhibitor cards, track results, and keep things running smoothly during fair week.

### **Deadline for General Projects & Livestock: June 15**

Because it falls on a weekend, our office will not be available for last-minute help. If you wait until late Saturday or Sunday to submit and run into a problem, there may not be anyone to assist you in time.

### **We strongly encourage you to complete your entries early!**

That way, if any questions or issues come up, we'll have time to help you before the deadline.

Let's help make this a smooth and stress-free process — for you and for us!

### **NEW THIS YEAR – Mini 4-H Members Must Use FairEntry!**

That's right—**Mini 4-H families now need to complete FairEntry**, too! It's part of our regular fair prep process moving forward.

To enter Mini 4-H projects:

1. Click "**County Only Projects**"
2. Select "**Mini 4-H**"
3. Choose your project(s)
4. Click **Submit**

Simple, quick, and gets your Mini ready for the fair fun!

Before You Hit Submit...

Please **double-check your entries** before submitting!

Once you submit, you **won't** be able to add new exhibitors or exhibits until we've reviewed and approved your original submission. Submitting too early is one of the most common issues we see—and it can cause delays.

**Need help?** Questions? Tech hiccup?  
Reach out—we're happy to walk you through it. You've got this!

## Let's Talk Records

(of Achievement, that is)

The **Record of Achievement** isn't just a form—it's your personal highlight reel of everything you've accomplished in 4-H this year!

Think of it as your chance to show off your hard work, leadership, and growth—plus, it comes in handy for some big opportunities:

**Scholarships** – Many applications ask for info that's already in your record.

**Royalty Contest** – Judges look at these!

**Senior Awards** – Including "Most Points Earned by a Senior."

You can **pick up a copy during fair week** at the 4-H Fair Office or **download it anytime** from our website.

**Deadline to turn it in:** Monday, **July 14, 2025**

Return it during the fair or drop it off at the Extension Office—just make sure it's in on time!

Got questions? Need a nudge? Give us a call at **574-372-2340**—we're happy to help!

## Poster Project Must-Knows!

Bringing a poster project to the fair? Make sure you follow the guidelines below to avoid point deductions or lower grades. Let's set you up for success!

**Poster Checklist:**

**Size:** Posters must be **22" x 28"** unless your project manual says otherwise. (And no, they don't have to be white!)

**Labels:**

You'll get a 3" x 5.5" label at project check-in from the 4-H Office. It goes in the **bottom right corner**—plan your layout accordingly!

**Backing:**

Posters must be mounted to prevent curling. Use one of these:

- Foam core board

- Very stiff cardboard
- Plywood or Masonite (at least 1/8" thick)

**No flimsy paper or rolled edges, please!**

**Plastic Covering:**

Cover your poster with a **clear plastic sleeve** to protect it. These are available at the Extension Office for just **\$0.25**. **Please don't use kitchen wrap—it doesn't hold up!**

**Citations:**

Educational posters must **cite all sources** used—just like school projects!

**Club Info:**

Write your **name and 4-H club** clearly on the back of your poster.

**Orientation:**

All posters should be displayed **horizontally**—think dollar bill layout!

Have questions or not sure your poster meets the mark? Call us at **574-372-2340**—we're here to help!

## Capture the Heart of the 4-H Fair!

**Be a 4-H Fair Photographer!**

Do you love snapping photos and being right in the middle of the 4-H Fair excitement?

We're looking for folks to help us **capture candid moments** during Fair Week—from livestock shows to project exhibits and everything in between!

**No pro camera or experience needed!**

We're after those *real, unscripted, heartwarming* moments—not posed portraits. Whether you're a 4-H parent, member, volunteer, or just someone who loves the fair, we'd love your help!

**Interested?**

Give us a call at **574-372-2340** and let us know you're in!

Let's work together to **show off the heart of 4-H—one candid shot at a time!**
