Youth in grades K-12 are invited to be part of the Performing Arts Event. Narrators are considered part of the act so they must be a youth as well. Please note: A person whose only contribution to the act is that of being piano (not available at county event) or other accompanist is not considered part of the act and therefore does not have to be a youth. This is because this provides music in a similar capacity as a tape provides music. Mini 4-H is designed to provide noncompetitive educational experiences. We want to give mini 4-H youth a chance to participate in 4-H Performing Arts, but not have the pressure of being judged. Since acts have to compete in order to come to 4-H Round-Up, the following eligibility rules will be applied: 1. Mini 4-H'er(s) may NOT perform a curtain act. 2. A group of mini 4-H'ers may NOT perform a group act. 3. However, mini 4-H'ers may perform in a group act under the following circumstances: The mini 4-H'er is associated with a regular 4-H club which includes older members, and the majority of the group act performers are active 4-H members in grades 3-12.
