

Interactive Demonstration

Any 4-H member may participate in the Interactive Demonstration. This is designed for the novice person, and the topic can be related to any 4-H project. The 4-H member will provide a short demonstration of no more than 3 minutes that will actively engage members of the audience how-to-do skill development. Examples include, but are not limited to, how to use a measuring cup, how to use a ruler, how to knead dough, how to clean grooming clippers, how to crop a photo, etc. Props are permitted. Live animals and PowerPoint displays are NOT permitted. Although participants will not be judged, and adult will watch the 4-H member's interactive demonstration and will provide feedback to the member. The 4-H member will continually repeat their how- to interactive demonstration for the designated time period, typically 45-60 minutes.

Any 4-H member wishing to participate in an Interactive Demonstration at the county level, will be eligible to go the Indiana State Fair and participate in the State Interactive Demonstration. The interactive demonstration is a non- competitive event at the Indiana State Fair. Refer to the Indiana State Fair 4-H handbook for the date, time, and location of each event. Check with your county extension educator for information about entering your county contest.
