

May 12th, 2026

10 Year 4-H Member,

Congratulations! You have completed nine years of 4-H, and the tenth and final year is finally here. It is important that you are recognized for all of your hard work and outstanding accomplishments throughout the years. This recognition includes an article in The Paper of Montgomery County and The Journal Review as well as a ten-year member composite in the 4-H Building.

You will need to provide **2 high resolution, wallet size photos**. The two wallet size photos will be sent to the newspapers, and the digital copy previously sent will be displayed in the 4-H building. You will also need to sign the consent form for the newspapers and fill out your 4-H career information, both enclosed with this letter. All of this should be turned into the Extension office by **Friday, June 5th**. The newspaper articles will run the week before the fair and the ten-year member pictures will be on display the week of the fair. Thank you for all of your hard work, dedication, and support to the Montgomery County 4-H program. Make the most of this year and have fun.

In addition, you will also receive recognition at the Awards Program on Sunday, July 12th at 6 pm in the 4-H Building, more information on this to come. Please plan to attend.

Sincerely,

Abby Morgan
4-H Youth Development Educator
Purdue Extension-Montgomery County

Kylee Reeves
4-H Summer Intern
