

4-CL O V E R NEWS

Hello 4-H Families!

Welcome to the Montgomery County 4-H program! I am so excited that your child has chosen to take part in this great organization. The opportunities in the 4-H program are endless and there is something for everyone. You will be receiving monthly newsletters so it is very important that you read the newsletter in its entirety to make sure you don't miss out! Newsletters and additional information is also posted on the Purdue Extension Montgomery County website.

Go ahead and mark your calendar for July 10th – 15th for the Montgomery County 4-H Fair! As events and times are finalized by our hardworking 4-H volunteers, that information will be communicated to families.

The Extension office is a resource for YOU and we want to make sure that we provide your 4-Her the best experience possible. Please reach out if you have any questions. We're excited to work together "to make the best better".

Kasie Pond with Crawfordsville Sew & Vac is holding open sew times just for our 4-H youth.

There is no fee to come and get assistance.

HOWEVER, they do ask that you bring your own machine, thread, and any other supplies for the project that your 4-Her is working on. They do have all of those items for sale in-store if needed. They will provide irons, ironing boards, and cutting mater. Also, bring your sewing skills sheet and project guidelines when you go.
