Livestock members exhibiting animals at the Pulaski Co. 4-H & Community Fair

Must Register them online at: pulaskicountyin.fairentry.com by June 6th, 2026

Extension - Pulaski County

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue University is an Affirmative Action institution. This material may be available in alternative formats.

Livestock Committee Protocol at Fair Animal Check-in

All check-ins will begin at the set time as proposed by the Fair Board in the schedule.

The conclusion of all check-ins at the Fair will end at the set time that is on the schedule.

- 15 minutes before the conclusion of check-in, all livestock committee chairs or co-chairs are to make a call to all members who have not arrived to determine their location.
- The only exception of late entry is if families notify species committees prior to the time of ending check-in. Phone calls must be made in an attempt to leave a voicemail. If no answer, following up with a text message is encouraged. Proof of attempted contact is all that is required.
- Note on the member list the time the call was made and who you spoke to.

When problems or issues arise during check-in/weigh-in at the Fair:

- Discussions should not happen in front of the family and the 4-H member. Families and 4-H members should be told that their issue will be discussed at the end of check-in.
- No arguing or yelling should occur during the weigh-ins /check-ins by the committee members.
- All issues should be discussed as a committee upon completion and notes recorded. Educator, Fair Board president should be part of this meeting if issue arises with a 4-H member's animal. The discussion of the group is then the Educator and Species chairman responsibility to talk to the family/4-H member. NOT the committees.
- All families and 4-H members are to be treated equally and with respect.

Livestock Meeting

All livestock committees will need to attend a pre-fair meeting the week leading up to the fair. This meeting will be held at the fairgrounds, and all committees can then assist with building set-up. At this meeting, rules, policies, etc. will be reviewed.

Animal Handling by Volunteers, Parents, and Youth

All animals should be handled with respect and care. This reflects our program and the state program. If issues arise with animal handling, that individual will be verbally warned about their behavior having a negative impact on themselves, their family, and the 4-H program. This warning comes from the Educator. He/She is the only one who enforces the behavioral expectations. If they mishandle again, the Educator will discuss and document their final warning. They may be required to attend an animal well-being clinic. This is up to the discretion of the 4-H Youth Educator.

RULES FOR ULTIMATE LIVESTOCK SHOWMAN CONTEST

The purpose of the Ultimate Livestock Showmanship Contest is to

1. Develop and improve showmanship skills and techniques of all species.
2. Develop an appreciation of all other livestock species
3. Develop a cooperative spirit among 4-H members.

One showman from each of the following species is eligible to compete: (9 showman will show 8 species)

- Beef
- Dairy Heifer
- Goats
- Horse & Pony
- Poultry
- Rabbits
- Sheep
- Swine

Dairy Steer (Dairy heifers will be shown; dairy steers will not be shown).

EXCEPTION: If beef has no representative, then the dairy steers will be shown and beef steers will not.

Each livestock committee is responsible to do the following:

1. Supply the animals to represent their species.
2. Supply all the show equipment used to show their species.
3. Supply ring people to work the ring and assist the judge while their species is being shown.

It is strongly encouraged that each livestock committee conduct their own portion of the show exactly as it was when their Showman was selected.

If a Showman is selected to represent more than one species, then that Showman selects which species they wish to represent.

A Showman cannot show any of their own or immediate family member's animals at any time during the show.

The order will be at the option of the Ultimate Livestock Show Committee.

Showman must secure training on their own.

The winner of the Ultimate Showman can no longer participate in showmanship for the species in which they represented.

Showmanship committees consist of the committee chairmen and the 4-H Youth Educator.

2026 PULASKI COUNTY 4-H GENERAL LIVESTOCK RULES

(Revised January 2026)

For the Beef, Dairy, Goat, Horse & Pony, Poultry, Rabbit, Sheep, and Swine Projects
All animals exhibiting at the Pulaski County 4-H & Community Fair must register online at:
in.4honline.com by May 15th and pulaskicountyin.fairentry.com by June 7th, 2026.

All final decisions will be determined by the Species Committee/Chairman and the 4-H Educator concerning any problems that arise during fair or any concerns, questions, or suggestions that may occur.

1. It is the responsibility of the 4-H member and parents to know the livestock rules of Pulaski County and/or the Indiana State Fair.
2. All livestock must be enrolled on 4-H online by May 15th. Poultry will continue to use paper animal enrollment. Failure to do so will result in the exhibitor not being allowed to exhibit livestock at the fair. The 4-H member can still complete their project.
3. All 4-H members who plan to exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry, and rabbits, must be certified through either an in-person Indiana 4-H Quality Livestock Care training **OR** an online Youth for the Quality Care of Animals training by June 1st. If you choose to complete an online YQCA training, please submit your certificate to the Extension Office.
4. All members exhibiting at the fair may complete a General Livestock Feed Record Sheet and Species Specific/Age Specific Activity Sheet. If unable to exhibit your animal at the fair, you may complete the record sheet and grade specific activity sheet for completion.
5. Livestock will be entered, weighed, and released on the date and times stated in the fair schedule. No animals will be entered/released before or after the designated times in the fair schedule unless cleared by the species chairman and 4-H Educator. If an animal is examined by a veterinarian for medical reasons, then the family must consult with the species chairman and 4-H Educator. Animals are not to leave the fair grounds for breeding related purposes. You are allowed to AI at the fairgrounds if needed. If a non-auction animal leaves the fairground without the consent of the species chairman and 4-H Educator, the 4-H members forfeit their winnings and/or their privilege to auction an animal.
6. All animal owners will be held responsible for their own liabilities.
7. Indiana state health regulations will govern requirements for health certificates. Health papers are not required, but vet checks are strongly recommended 30-60 days before fair check-in. There will be a health determination at entry. All Indiana Exhibitors have to provide the Indiana State Board of Animal Health required Premises ID number on all entry forms for beef and dairy cattle, goats, swine, and sheep. To obtain a Premises ID #, please contact the Indiana State Board of Animal Health at 877-747-3038. Information can be found on the Indiana State Board of Animal Health website at www.in.gov/boah.
8. If a 4-H exhibitor has an animal disqualified from showing for any unethical reason, the 4-H'er will be disqualified from showing in any other livestock class and the auction.
9. Any oral or injected medicine administered once animals are on the fairgrounds must be approved and administered in the presence of that project committee species chairman and 4-H Educator. Failure to comply with this rule will result in disqualification of all livestock entered in this project by the individual. Injected medicines include anything administered with a needle or forced fluids administered to the animal. Oral medicines include medicated feeds. Medicated feeds that have a withdrawal period listed may not be used during the fair and/or before the fair if withdrawal period would not be over by the time of the auction or going to market.
10. All animals must be shown by a Pulaski County 4-H member. **4-H members are expected to show their own animals. In cases where this cannot be done, the owner may request another Pulaski County 4-H member to serve as a substitute. Substitute showmen must be approved in writing by the 4-H Educator and species chairman, 24 hours prior to showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or circumstances deemed unavoidable by the 4-H Educator and species chairmen. Failure to be excused from a job and/or participation in a non-4-H-related creative arts or sporting event or practice will not result in a substitute showman being granted. (This does not apply to members who have multiple animals in a single class or a grand drive. However, if showing multiple animals, please plan ahead and have alternate showmen (Pulaski County 4-H members) prepared to show, if needed. Those showing must be dressed in show attire.)**
11. All livestock exhibitors are required to feed, water, and clean their pens daily or the animal(s) will not be allowed to be sold in the 4-H Auction. All 4-H exhibitors are required to clean up their pens as well as their grooming & fitting area. Exhibitors must shovel bark out 2 feet from the wall. This must be completed on the night of the auction.
12. Two hours before any livestock show, only 4-H members and immediate family members are allowed in the respective area of the barn until the conclusion of the show.
13. For showmanship guidelines, please see the respective species' rules. **During showmanship classes, there will be no coaching from the sidelines.**
14. Appropriate and safe attire is expected of all 4-H'ers at all 4-H functions.
15. No reserved pens or stalls. The stalls will be assigned by the livestock committees. Please see your specific species' rules for bedding

requirements.

16. Wash racks are to be used only to wash animals. No animals are to be fed at the wash racks.
17. Good sportsmanship is expected from all 4-H'ers and parents at all times.
18. All livestock must be housed and cared for by the 4-H member.
19. Members cannot enroll their animal in another county, under a different 4-H member. 4-H animals exhibited after May 15th at any show by anyone other than the individual whose 4-H enrollment record is connected to the ID of the animal in Indiana 4-H Online will not be eligible to be shown in the 4-H show at the Indiana State Fair. This term/condition does not apply to siblings, who may show each other's animals at any show during the year without jeopardizing State Fair eligibility. This policy applies to all 4-H animal projects.
20. PURE-BRED REGISTRATION: 4-H members showing registered beef, boer goats, dairy, dairy goats, sheep, and swine must present a registration certificate (no photocopies, carbon or fax copies, except from a fax/email directly from the national breed association to the Extension Office). The animal must be registered in one of the following ownership methods: in the 4-H member's name, John Smith and Sons; John Smith Sons and Daughters; John Smith and Family; the listing of a brother and sister; family corporations/partnerships with 4-H member and family member. Animals that are registered in the parents name ONLY or other entities that do not contain the 4-H members name or relation will NOT be accepted. Contact the Extension Office with any questions.

AUCTION

21. A 4-H'er may sell at the auction any combination of 2 species, with only 1 animal per species allowed, from the following list: **Beef, Dairy Beef, Dairy Heifer, Feeder Calf, Sheep, Swine, Duck, Turkey, Rabbit (meat pen or single fryer only), Chicken (broilers or roasters only).**
 - a. Dairy Doe participants may sell either their goat or a basket of dairy items.
22. 4-H animals purchased, sold, or offered for sale after the enrollment deadline and prior to the Indiana State Fair (including animals that have gone through a "Premium Only Auction"), shall not be eligible to show in the 4-H show at the Indiana State Fair. Sale of products of animals (milk, cheese, wool, etc.) in lieu of the animal, are considered equivalent to a "Premium Only Auction".
23. All animals will be sent home after the auction.
24. You will have one hour after your species livestock show to sign up for the auction.

MINI 4-H

All previous rules and general livestock rules apply. See Mini 4-H manual for project requirements.

2026 4-H BEEF RULES

(Revised August 2025)

If unable to exhibit your animal at the fair, you may complete the general record sheet and grade specific activity sheet.

These rules are to be used in addition to the GENERAL LIVESTOCK rules

1. **February 21st** is the deadline for all steers & heifers born between **1-1-25 and 12-31-25** to be enrolled for the official 2026 Beef project.
2. **All CATTLE (Includes steers, commercial, market, and registered heifers)** to be shown at County and State Fair **must be RFID tagged and weighed (registered heifers do not need weighed)**. Any animal not tagged is ineligible for County and State Fair show. **Weigh in date is February 21st, 8 A.M. – 10 A.M EST at the fairgrounds or highway garage.** Steers and commercial/market heifers must have 5-digit county tag and RFID tag. Registered heifers must have tattoo AND RFID tag. It is strongly suggested by the Beef Committee that all animals be halter broken and able to be led by this date! **Weather date is February 28th 8-10am.**
3. Registered heifers that have discrepancies on their registration papers at the State Fair check-in will be sent home unless they have an RFID tag. Therefore, ALL registered heifers are required to be RFID tagged.
4. 4-H Exhibitors may show only **six (6) steers** and **six (6) heifers**. If more than this number appears on the form, only six of each will be eligible.
5. All registered heifers must have registration papers to show at the Pulaski County Fair. To be eligible for the State Fair, all purebred animals **must have** registration papers from their association and be identified by a **registration number or dam registration number and birth date** at the time of enrollment. Consult ISF rules for a complete listing of recognized breeds.
6. All cattle **must be dehorned** to be able to be unloaded.
7. Crossbred heifer classes will be divided by weight rather than age.
8. Project animal age: All steers and crossbred heifers **must not** be born before January 1st of the prior year and have milk teeth in place or will be sent home.
9. There will be breed classes for steers and heifers - these classes will be established after weigh-in. There will **also be** a British Breed Champion that will be chosen between Angus, Hereford, and Shorthorns. They **must be** purebreds.
10. There will be a County Bred Class. Eligible calves **must be** bred, born and raised in Pulaski County and exhibited by a Pulaski County 4-H member. This is determined at the time of the animal's online enrollment by May 15th.
11. All fans to be hung on lead side. No butt fans.
12. Butt fans and generators are allowed for show day only, but **must** stay outside the barn.
14. All Beef cattle that are exhibiting at the Indiana State Fair must turn in DNA hair samples into the Extension Office by **May 15th**.

Purebred Heifer Classes:

Junior heifer calves born January 1 to March 31, 2026

Winter heifer calves born November 1 to December 31, 2025

Senior heifer calves born September 1 to October 31, 2025

Late summer yearling heifers born July 1 to August 31, 2025

Early summer yearling heifers born May 1 to June 30, 2025

Spring yearling heifers born March 1 to April 30, 2025

Junior yearling heifers born January 1 to February 29, 2025

Senior yearling heifers born September 1 to December 31, 2024

FEEDER CALVES

Male and female feeder calves born between January 1-May 1 of the current year, with a 600 lb. weight limit, can be shown. Calves **must be castrated**. Calves will be shown by weight. All calves **must be RFID tagged and weighed, at the fairgrounds on May 2nd, 8-10am EST** by the Beef Committee. The starter calf can be from the cow-calf pair if submitted as a starter and a cow-calf pair on the Online State Beef Enrollment Form. **Weather date is May 9th.** Starter calves that are not weaned can be brought in 1 hour before the Beef show with the cow tied at the trailer. Feeder calves will be shown as feeder steers or feeder heifers.

COW-CALF PROJECT

The cow-calf project involves a 4-H heifer and her calf. The heifer **must have** been enrolled on a State Enrollment Form in previous years. **The pair must be enrolled by the same 4-H member.** A cow is only eligible to be shown as a cow-calf pair for the two years following being shown as a heifer at the fair. This project should be submitted on the Online State Beef Enrollment Form by **May 15th**. Calf is included and enrolled as unborn. The calf from a cow-calf pair can also be shown as a starter, but must be enrolled online for the project and must be weighed at both the starter calf weigh-in by May 4th and fair weigh-in. Cow-Calf pair can be brought in the day of the show. Check with the beef chairman for most up-to-date information on time, or they can be there the whole week.

BEEF SHOWMANSHIP

Exhibitors (4-H animal owners) may only show their own animals in Showmanship classes. Showmanship Classes: (Grade in school on January 1st of the current year) Below are the divisions but the showmanship order will start with senior showman and run oldest to youngest.

- A) Junior Showmanship - all 4-H exhibitors in the 3rd, 4th, 5th grade is eligible. Once an exhibitor is the Junior Showmanship winner, the 4-H'er is only eligible to compete in the Intermediate or Senior Showmanship classes in future years.
- B) Intermediate Showmanship - all 4-H exhibitors in the 6th, 7th, or 8th grades are eligible (exception only for any previous year's Junior Showmanship winners). Once a 4-H member is the champion Intermediate Showman, that member must compete in the Senior Division of the showmanship category in subsequent years.
- C) Senior Showmanship - all 4-H exhibitors in the 9th grade or above are eligible (exception only for any previous years Intermediate Showmanship winners). Senior Showmanship winners from previous years are no longer eligible for the Senior Showmanship class. They will compete in the Champion Beef Showmanship class.

- D) Champion Beef Showman - Current year winners from the Junior Showmanship, Intermediate Showmanship, and Senior Showmanship, as well as any past Senior Showmanship winners, may compete for the "Champion Beef Showman" title. The Champion Beef Showman will move on to compete in the Ultimate Showman of Showmen competition. Champion Beef Showmen who go on to win the Ultimate Showman of Showmen competition representing the Beef Species are no longer eligible to compete in future Beef Showmanship classes.

Mini 4-H

All previous rules and general livestock rules apply. See the Mini 4-H Manual for project requirements.

Mini 4-H members can show a calf already enrolled and being exhibited by another member in the Beef project or can bring their own.

Beef can be housed all week or just for the day of the show.

(Revised August 2025)

If unable to exhibit your animal at the fair, you may complete the general record sheet and grade specific activity sheet.

1. The ear notch identification system will be used. However, all swine members are required to pick up their RFID tags at the Extension Office. Tags are \$3 each. Members will enter their tag numbers online, along with ear notches. All swine tags must be placed in the ear by May 15th. Taggers will be available for use, on a first-come basis. Assistance on tagging your swine will be available by the swine committee or by contacting your veterinarian. **If your animal does not have a tag in its ear, you will not unload! You will pull out of the line to go tag the animal elsewhere and then return to the line. If you do not have your purebred papers, you will pull out of line, locate your papers, and then return to the line.**
2. With the recommendations from the State Board of Animal Health, all swine that are not going for auction, excess, or processing will be sent home after the show. Pigs cannot return to fair if wrong pig is taken home after show.
3. All pigs will be weighed regardless of purebred gilt or not. Reweighing for a different weight class will not be allowed.
4. A 4-H'er may only exhibit a maximum of (4) four pigs.
5. The 4-H Swine Committee will set up the market classes of barrows and gilts after the official weigh-in. Large classes will be divided into smaller classes at the discretion of the 4-H Swine Committee.
6. Once a pig has been entered and weighed, there will be no reassignment of ownership.
7. On show day, wash racks will remain open, for washing only.
8. Fans must be on the north side of the pen. Fans on the outside of barn must flow air from the outside to inside. Fans in middle (inside the barn) must flow air to the south (Fans **MUST** be caged to avoid small fingers!)
9. After hogs have been signed up for auction, there will absolutely be NO changes allowed. You have by the conclusion of the swine show to let us know what you will be doing with your hogs.
10. Shavings are the only bedding to be used. No straw or sawdust allowed.
11. Nothing but fans will be hung from the rafters in the swine barn.
12. Farm visit's may be conducted randomly by committee members during the time between May 15th and fair week to verify the animal's welfare, wellness, ear notches and RFID tags. Families will be notified at least 24 hours prior.
13. Purebred barrows and gilts must have papers and meet breed standards to show as a purebred. For registration of pure-bred animals (swine) please see general livestock rules to see how animals must be registered in regards to ownership. State Fair rules apply for purebred ownership methods.

Leaders: Stephanie Keller & Nicole Earp

*Vaccination requirements for all horses must have Eastern and Western Equine Encephalomyelitis, Rhinopneumonitis/EHV type 1 and 4, Equine Influenza, Tetanus, and Rabies

1. Horse & Pony members who also wish to take additional 4-H projects are suggested to belong to a local township club as well as the Horse & Pony Club and are to attend these meetings in addition to Horse & Pony meetings.

2. IT IS THE RESPONSIBILITY OF THE 4-H MEMBER AND PARENTS TO KNOW THE HORSE & PONY RULES OF PULASKI COUNTY AND/OR THE INDIANA STATE FAIR, IF APPLICABLE.

3. To be properly identified and eligible for the Indiana State Fair, all horses/ponies must be completely and correctly identified by a color picture that shows all 4 feet and face by May 15 at v2.4honline.com. IF TURNED IN LATE YOU WILL BE UNABLE TO SHOW AT THE COUNTY FAIR AND STATE FAIR.

4. Any animal exhibited must be shown and owned by the contestant, or owned in partnership with the contestant's father, mother, brother, sister, grandparent, or legal guardian. Exceptions: Animals may be leased. A lease agreement (4-H 869-W) must be included with 4-H Horse & Pony Online Enrollment for, subject to the approval of 4-H Horse & Pony committee and the Extension Educator in charge. A copy of the lease agreement will be on file in the Extension Office. Lease agreement is due by May 15th. **Any animal rather it's owned or leased may only be enrolled/shown in one county.**

4A. Parents are permitted to enter the arena prior to horse and pony practices in order to help the child and horse transition safely. The parent and the child must be walking on the ground with the horse. Once formal instruction begins, the parents are required to leave the arena unless they are an approved 4-H volunteer.

5. Siblings may show the same family horse or pony, provided there is no conflict of them showing in the same class, but each horse may only be enrolled by two family members; each member must enroll the horse online.

6. Coggins test regulations will be the same as the current years Indiana state regulations.

7. Feed records and Manuals are no longer required unless it is for completion of the project. For example if the horse or rider are unable to show due to an injury or the death of an animal etc.

8. Each member is permitted to exhibit three (3) animals. A mare and foal are considered only one (1) animal.

(a) After the mare and foal class the mare may be shown in her age group and the foal may be shown in the foal class.

(b) Foals and weanlings do not show for Champion Mare or Gelding.

Showmanship

Exhibitors (4-H animal owners) may only show their own animals they have exhibited in another class in the Showmanship classes.

Showmanship Classes: (Grade in school on January 1st of the current year)

A) Junior Showmanship - all 4-H exhibitors in the 3rd, 4th, 5th grade are eligible. Winner of this class will compete in the Champion Showman of Showmanship class.

B) Intermediate Showmanship - all 4-H exhibitors in the 6th, 7th, 8th grades are eligible. Winner of this class will compete in the Champion Showman of Showmanship class.

C) Senior Showmanship - all 4-H exhibitors in 9th, 10th, 11th grades are eligible. Winner of this class will compete in the Champion Showman of Showmanship class.

D) Champion Showman of Showmanship - Current year winners from the Junior Showmanship, Intermediate Showmanship, and Senior Showmanship will compete for the "Champion Showman of Showmanship" title. (If a division class winner decides to opt out there will NOT be a replacement chosen.) The winner of this class will move on to compete in the Ultimate Livestock Showman competition. Champion horse Showmen who go on to win the Ultimate Livestock Showman competition representing the horse species are no longer eligible to compete in any horse showmanship classes in the future.

9. Mechanical hackamores are permitted in contesting classes only.

10. Minimum Attire Requirements:

Helmet Requirements

All 4-H Members are required to wear a properly fitted ASTM or SEI standard F1163 (or above) certified equestrian helmet whenever mounted or driving at all 4-H horse and pony events, shows or activities. Original tags must be present in all approved helmets. All helmets will be inspected annually by a committee member before member is allowed to participate in any practice on horseback.

Tack Requirements

All tack must be inspected and approved by a committee member annually before member will be allowed to participate in any meeting with their horse.

Appropriate Practice Attire

Each member is required to wear jeans, a t-shirt or tank top with at least a one inch strap, and proper footwear with heels.

Appropriate Western Show Attire

Each member is required to wear long pants without holes, a long sleeve shirt with collar, and proper footwear with heels. A helmet or a western hat is permitted in halter classes. Helmets must be worn in riding classes.

Appropriate English Show Attire

Each member must wear knee-high hunt boots or Jodphur boots, and solid color breeches or jodphurs. A long sleeved shirt or blouse is required when a coat is not worn, but a short sleeve may be worn under a hunt coat. A hunt coat is recommended, but not required. Tie, stock or choker is required. Hair must be neat and contained, as in a braid or hair net and must not obscure exhibitor number. Approved protective headgear must be worn. Gloves, paddock boots and boot like half chaps instead of hunt boots are optional.

Appropriate Contesting Attire

Each member is required to wear long pants without holes, footwear with heels and an approved helmet. T-shirts are permitted.

11. In case of illness or injury of a member, the animal may be shown in its halter class by another 4-H Horse & Pony member.

12. ALL NEW HORSES AND PONIES AND ANY OTHER ANIMALS THE HORSE & PONY COMMITTEE REQUESTS MUST BE MEASURED ON A DATE TO BE SET EACH YEAR.

13. Any oral or injected medicine administered once the animal is on the fairgrounds must be approved and administered in the presence of project chairman and the livestock superintendent. Failure to comply with this rule will result in disqualification.

THESE ARE PULASKI COUNTY RULES THAT MAY BE SUPERCEDED BY INDIANA STATE RULES AT ANY TIME, DUE TO THE CHANGE OF AN INDIANA STATE RULE.

ALL CLASS REQUIREMENTS AND JUDGING STANDARDS ARE TAKEN FROM 4-H PUBLICATION (4-H 661), INDIANA 4-H HORSE & PONY HANDBOOK.

14. A 4-H Horse & Pony member cannot change to Horseless Horse after May 15th, unless the Horse & Pony Committee has given approval.

15. All State 4-H Horse & Pony rules are to be followed.

Mini 4-H

If Mini 4-H members choose to show in the Horse and Pony project, they must attend at least one meeting with their horse or they will not be allowed to show. Each member must have a parent/guardian horse-side at all times. If not showing a horse the member may still complete by turning in a poster relating to any horse topic at project check in. All other Horse and Pony rules apply.
