

PURDUE EXTENSION
MASTER GARDENER PROGRAM

November 12, 2024

The Putnam County Master Gardeners welcomes the new gardening season with **Garden Fair** on Saturday, March 15th from 8:30 am to 3 pm at the Putnam County fairgrounds. This is a full day of educational speakers, demonstrations and lots of vendors, all related to gardening, nature and wildlife. This spring kickoff is well attended with well over 400 attendees in 2023. Local residents appreciate and support a showcase of garden knowledge and products in Greencastle.

Your products and or services would be a good fit for the Garden Fair. We would like to extend an invitation to you to be a vendor. We offer a 10' x 10' booth space for \$60. Booths are provided with a 6–8-foot table if needed and 2 chairs. If you wish to purchase more space, please let us know as soon as possible since space availability is on a first-come, first-served basis. We encourage you to reserve a spot early, because past vendors have already reserved booth space.

New this year we will have the speakers in another building—so if you have friends that sell garden related merchandise, we have more room for vendors!

You might want to go a step further and become a sponsor for Garden Fair. Your sponsorship further supports a local event that brings valuable gardening education to Putnam County. Proceeds from Garden Fair funds scholarships to local students who pursue a secondary education in a horticulture related field. Each year Master Gardeners award \$2000-4000 in scholarships to students in Putnam County. With your sponsorship of \$200 you will be helping Master Gardeners raise money from Garden Fair for these worthy scholarships. Your sponsorship includes booth space, recognition through signage and an introduction before an educational presentation with the opportunity to say a few words about your organization. If you have any questions about sponsorship, please call Kristi Nelson at 765-247-9942 or email Kristi.nelson@buzziunicemusa.com

We are so excited to bring this event to Putnam County again in 2024 and hope that you will consider being a vendor, sponsor or BOTH!

We hope to hear from you soon!
