

18 December 2025

You are cordially invited to participate in the **Putnam County Master Gardener's Garden Fair!** This is an annual tradition to kick-off the Spring garden season, in the heart of Putnam County located at the Putnam County Fairgrounds in **Greencastle, Indiana**. This year's event will be held on **Saturday, 21 March, 2026** from **9:00 AM to 3:00 PM EDT**. This fun-filled day will showcase educational speakers and demonstrations targeting this year's theme of **Trees & Bees**, while over 400 attendees can shop with vendors showcasing products and/or services related to gardening, landscape, nature, and wildlife.

The Putnam County Master Gardeners extend this invitation for your business to showcase your service and/or products in a 10'×10' booth space for a very reasonable rate of **\$60**. Booth rentals will be furnished with 6 to 8' table and 2 chairs. Additional space maybe available on a first-come, first-served basis. Your business will be featured on the Putnam County Master Gardener's social media websites.

The Garden Fair will be a one-day event. Set-up may occur on either Friday evening prior to the event or early on Saturday morning. Please refer to the Vendor Registration for specific times.

In addition to our Garden Fair, the Putnam County Master hosts a Gardener Plant Auction in May. Please save the date for May 2, 2026, and return to support our plant love by purchasing a plant! Each year Putnam County Master Gardeners award \$2000-4000 in scholarships to students in Putnam County to pursue secondary education in a horticultural-related field of study.

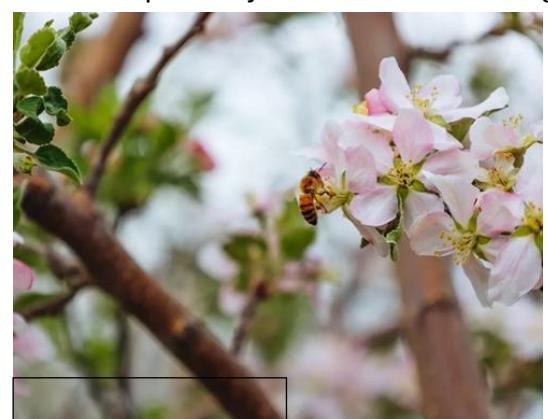

We are so excited to bring this event to Putnam County again in 2026 and hope that you will consider being a vendor, sponsor, or BOTH!

Happy Gardening!
