

Dear 4-H'er,

Welcome to Scott County 4-H! Thank you for your enrollment in our 4-H program and for joining our extended family. We offer projects that will help you to grow and learn about virtually anything. From sewing to beekeeping to photography – you name it and there is a way to explore your interests through 4-H. Enclosed is a packet of information for you on projects, clubs and guidelines.

If you selected “Contact me to learn about clubs” for your club, please look over **the list of clubs** and let our office know which one you would like to participate in. You may elect more than one if you so desire. If your child is a Mini 4-H'er (K-2nd grade) we have elected the Future of 4-H Club for your child since this club is just for Mini's. You may still be in a different club if you desire. Please just let our office know if you want us to switch you to a different club.

We'll be sending out **newsletters** to your email on a routine basis to help keep you informed and up-to-date on Scott County 4-H happenings. In the meantime, please don't hesitate to contact our office with any questions or concerns. You may call us at 812-752-8450, Monday through Friday, from 8:30 a.m. to 4:30 p.m. Please keep in mind we are lightly staffed at lunchtime.

There are other ways to stay in the loop as well. Did you know we are on the web? You can like our page on Facebook, “Purdue Extension- Scott County” and get tidbits and information that way, and we also have a website through Purdue:
<https://extension.purdue.edu/county/scott>

Thanks again and we look forward to serving you!

Hannah Pollert
