

# Erica Thomas

Erica is a 10 year member of the Scott County Jr. Leader Club. She is the daughter of Levi & Felicia Thomas and Susan & Branden Carr.

The major projects that she has taken in 4-H include meat goats, meat pen chickens and cake decorating.

Erica's future schooling/job plans include finishing cosmetology school, work in a salon and later become extension certified.

The greatest contribution 4-H has made in Erica's life is that "it has taught me responsibility and leadership."

Erica describes the most important thing she learned from her participation in the 4-H program "responsibility - being in charge of my own actions and choices. Carrying out what needs to be done and being a good role model. My 10 years in 4-H has also taught me work ethic and accountability. In 4-H you definitely use all 4 pillars, your head, heart, hands and health, as they are important life skills."
