Attention: All Livestock 4-H'ers

Youth have the option to complete an in-person Indiana 4-H Quality Livestock Care Course (IQLC) OR an online Youth for the Quality Care of Animals (YQCA) Course. County and State Fair will accept both of these options.

This requirement is set for youth exhibiting, Swine, Beef Cattle, Dairy Cattle, Sheep, Goats, Rabbits, and Poultry.

Youth can complete this annual certification through in-person sessions at a cost of \$3 (cash or check).

SCOTT COUNTY WILL HOLD THIS TRAINING ON MAY 21, 2025 AT 6PM AT THE SADDLE CLUB. REGISTER FOR THIS SESSION THROUGH 4-H ONLINE EVENTS.

See other flyer for information about surrounding county's IQLC in-person training opportunities.

For those who cannot attend an in-person training, YQCA is available to complete the training online (<http://yqcaprogram.org/>) at a cost of \$12.

Online YQCA certifications are accepted in lieu of the in-person Indiana 4-H Quality Livestock Care program but youth must e-mail the Scott County Extension Office (scottces@purdue.edu) a copy of their YQCA certificate to prove completion. Visit www.yqcaprogram.org to complete the online YQCA training.

Attention: All Livestock Youth wanting to participate in the 4-H Livestock Auction

- If you are going to auction any animal you must attend one educational/learning event. This educational event does not have to be geared towards the species of animal you show (For example you can show goats but attend a pig workshop). We encourage all of our youth to attend more than one learning event; but one is the minimum.
- The Hare and Feathers Club meeting qualify for this educational portion, as well as, the swine workshop that was previously held in Scott County in February
- To be clear: If you show and sell you are required to attend two different meetings! The IQLC class or YQCA does not count as an educational/learning event.

An additional \$50 late fee will be charged June 22nd through Noon Thursday of the fair. Late entry only allowed if all other requirements for the auction have been met.

All auction animals **MUST** have a photo taken immediately following their show.

If you do not clean up your pen area at your departure time you will not be eligible to auction your animal. These fees are not refundable.

Base bidder animals will leave immediately following the auction.

Please remember to send a thank you card to the person or business who gives you a donation this year.
If you need a thank you card, please see the Extension Office.

*Some youth like to donate a percentage of their auction money into scholarship/medical funds. If you decide at the fair that you wish for a portion of your earnings to be donated into a fund you will be held accountable to do so. If you tell us at the auction you are donating a portion and you do not follow through with that you will be ineligible to sell the following year. **Please sign below (parent and youth) to acknowledge that you understand you will be held accountable to pay the percentage you state you are willing to donate at the auction.**
