

SHELBY COUNTY 4-H

MINI 4-H

PROGRAM

Mini 4-H is a program designed for youth in kindergarten through second grade (**K-2**) within the larger 4-H framework. It provides a non-competitive, hands-on learning environment where young children can explore friendships, learn about how things work, develop physical skills, and discover how people collaborate on projects. Mini 4-H emphasizes fun and exploration over competition, with activities designed to be engaging and rewarding for all participants.
