RE: Legacy Group Letter & Application

Dear 4-H Legacy Nominee

You are invited to be a part of a very special group!

"4-H Legacy Group"
Leaving Their Legacy and Leading the Future

A summer intensive designed to develop service and leadership in young people while focusing on the traditions of Shelby County.

The Legacy program was *initially* designed to recognize 4-H members in their *last two years* of the program and allow them the opportunity to give something back and better their community while concentrating on leadership and long-standing traditions.

This 4-H program, created by 2009 Purdue summer intern Sarah Gaughan, began in 2010. It gives 4-H'ers an opportunity to "give back" to the community and their 4-H experience.

Peggy and Olivia Cassidy are our 4-H Adult Volunteers coordinating the Legacy Program. Past Legacy Groups have made some amazing additions to the fair! I am sure this group of 4-H'ers will also leave their mark in the form of a memorable contribution to the Shelby County Fair.

Please return your applications of interest to our office by January 6, 2025. Good luck to our Legacy group. We look forward to hearing from many of you as we prepare for the 2025 Shelby County Fair project!

***Our kickoff meeting will be held on January 29, 2025
at 6:30 pm at the Cassidy shop.***
