What size is your garden or area for herbs? _____

Describe your garden or herb location (ie. Is it in a flat spot or on a slope? Is it behind your house or at a grandparent's or friend's house? Does it have a fence? Is yours made up of raised beds? How many and what type of herb pots do you have?) _____

What is the direction of your garden rows, or which way do your containers face? _____

We do not necessarily care what you spent on your garden/herb project this year, but it is good for you to understand that things have a cost. Even poster boards are not free. Approximately how much do you think you spent or will spend planting, tending, and harvesting your garden/herbs this year?

\$0.00 - \$5.00 \$5.00 - \$15.00 \$15.00 - \$30.00 \$30.00 - \$50.00 Greater than \$50.00

What tools were necessary for your garden/herb project this year, from planting to harvest time? _____

Watching it Grow

Name three vegetables that grow best in mounds or hills.

1. _____
2. _____
3. _____

Name a vegetable that grows best when planted in double rows or in close proximity to plants of the same kind.

Even though you likely will not exhibit everything you planted, list the items you planted this year.

Which ones do you hope to exhibit, or if you are doing the poster option, what do you plan to share on your poster?

Where did you purchase seeds and/or plants this year?

Harvest

Provide two different examples of produce packaging you see at the grocery store. List the vegetable, the type of packaging, and why you think it is packaged that way.

Vegetable	Type of Packaging	Why is it packaged this way?

What was the most challenging thing about having a garden or raising herbs? _____

What did you like best about having a garden/herbs? _____

What's in Your Basket
