QUESTIONS ABOUT EXHIBITS CONTACT :

**Scott Peebles (765-826-1739)
Michele Peebles (765-505-0451)**

GENERAL RULES

1. Exhibits must be made or grown by the person entering them or entered in the owner's name.
2. No more than 2 items per class per person will be accepted, in each category.
3. Items which have been previously exhibited at the Vermillion County Open Class will not be judged.
4. This exhibition is open to all amateurs (anyone who does not derive an income from the sale of exhibition items) this is to protect the integrity of our County Fair.

2. Color Book Pages & Color by Number Pages – using colored crayons, colored pencils or markers. Must be a commercial color book and no larger than 8½” x 11”. No watercolor book pages.
3. Basic Crafts
 - A. Clay, Playdough or Lego Art – Child hand-makes an item from clay, playdough or lego-type materials.
 - B. Wood Art – using Popsicle sticks, tooth-picks, etc. Child constructs an art object.
 - C. Punch Art
 - D. Ceramics
 - E. Stenciling
 - F. Other Basic Crafts
4. Needlework
 - A. Simple needlework item made by the child.
5. Model Art
 - A. Child constructs a simple model using an easy kit.

II. FOODS CLASSES:

1. Cookies
 - A. Slice and bake cookies – Child may use refrigerated slice and bake dough. Exhibit 6 cookies on a paper plate.
 - B. Decorated cookies – (to be judged on decoration only) – child is to decorate cookie using edible items. Exhibit 6 cookies on a plate.
 - C. Easy cookie recipe – exhibit 6 cookies on a plate.

CHILDREN'S CORNER OPEN CLASS EXHIBITS

1. Children aged 0 through second grade. This exhibit is not limited to Vermillion County residents.
2. All projects must be simple projects made by the child within the last year.
3. Entries will receive comments from the judge, all entries in a class will receive ribbons. Projects will be evaluated on neatness, quality, creativity, and originality. First and participation ribbons will be given.
4. All children's open class projects will be separate from regular Open Class projects and judged as such.
5. Any projects not fitting into the following classes must be entered as a regular Open Class Project.

CLASSES – CHILDREN'S CORNER

I. ARTS & CRAFTS

- A. Each child may enter only two pictures in each of the following categories: Fine Arts and Color Book Pages. Size limit is 8 ½" x 11".
- B. Each child is limited to 2 items per class in the arts & crafts area.

CLASSES:

1. Fine Arts
 - A. Original or Freehand Drawing
 - B. Pencil (lead or colored), crayon, watercolor, finger paints, markers may be used.
 - C. 8½" x 11" paper only.

5. You may include clear plastic to cover your items after judging.
6. **STATE FOOD SAFETY POLICY:**
Complete State Food Safety Policy is on Page 17.

CRAFTS

I. CERAMICS/POTTERY/GLASS

1. Molded (Green ware, etc.)
Objects must be well cleaned. All seams, if applicable, must be smooth with no rough edges.
2. Hand Built/Wheel Thrown

I. ARRANGEMENTS

1. Petunias, any variety
2. Marigolds

STATE FOOD SAFETY POLICY:

Purdue Extension Food Safety Policy (revised 10/2022): For food competitions — Fillings, frostings, glazes, and meringues are not permitted to contain cream cheese, sour cream, heavy cream, or whipped cream if they are not fully cooked/baked. These items are allowed as ingredients in food products IF the final product is cooked/baked. Additionally, raw milk, raw milk products or uncooked eggs/egg whites are not permitted. Eggs/egg whites that have been cooked to 160°F (i.e. pasteurized or included as part of a batter and baked) are acceptable. No home-canned fruits, vegetables, or meats are permitted as ingredients in food products.

Foods should be transported to the competition in a way that minimizes contamination and maintains the quality of the food (i.e. foods that are judged as frozen should remain frozen at all times). Recipes must be provided that identifies all ingredients that were used in each part of the product. Any ingredient that could be a potential allergen must be clearly identified. Potential food allergens include, but are not limited to, milk, eggs, peanuts, tree nuts, fish, crustacean shellfish, wheat, soy and sesame. Each food product must be labeled with the following information:

Name; Address; Contact information (phone and/or email address); Date the food product was made.

Contestants should carefully wash their hands and make sure that their hands do not have any open cuts before preparing foods. If cuts are present, the wound should be bandaged and a single use food service glove worn on the hand during all stages of food production. Contestants should not be preparing food exhibits for competition within 48 hours of recovering from any illness. People experiencing symptoms of vomiting, diarrhea, fever, and/or jaundice should not be allowed to prepare food.

Judges and individuals who will consume products from county and/or state competitions should be informed that they are at risk for foodborne illness since the established policy cannot guarantee that an entry has been properly prepared or handled before, during or following the competition. The food products for competitions are home produced and processed and the production area is not inspected by the Indiana Department of Health. Tasting of a food product is solely at the discretion of the judge and consumers. Judges are NOT to taste any home preserved foods such as low-acid or acidified foods like green beans, tomatoes or tomato products, jams/jellies/fruit preserves or fermented products produced in the home.

Recipe Card MUST Be With Entry

All entries must be for human consumption.

Baking entries must be made from scratch, no mixes except for mix category. Each entry **must** be accompanied by a printed recipe card. The card will be used by the judge, displayed during the fair and will be returned at checkout. Exhibit baking items on disposable display board. Baked entries will be sold at the food auction, unless specified by exhibitor not to be sold. Those exhibits should be picked up immediately after judging. Auction proceeds will be used for champion premiums.

FOOD PRESERVATION

All fruits and vegetables must be shown in standard quart or pint canning jars; jellies and jams must be shown in standard jelly jars with lids or ½ pint jars.

NO PARAFFIN.

1. All entries must have been preserved within the last year (12 months). If fresh produce is used, the exhibit should have been preserved within the last growing season.
2. Exhibits must be labeled with the name of the food, the date preserved, and the method of food preservation. Entries without required labeling will not be judged. If the food is canned, the label must state whether the food was hot or raw packed, boiling water or pressure canned, the process time, and the pounds of pressure if pressure-canned. The entry should also be accompanied by the recipe used. (A judge needs to know if the proper amount of citric acid, lemon juice or vinegar has been added to canned tomatoes, for example.)
3. Exhibits usually will not be judged by tasting; visual inspection will be used for the most part. Jars may need to be opened, however, when spoilage is suspected or differences among entries are very small.
4. Dried foods may be handled by judges to determine stage of doneness.
5. Dried foods should be displayed in appropriate storage containers (glass jars with rust-free lids, heavy-weight plastic food-quality bags, vacuum-sealed plastic food bags, etc.).
