

4-H ENROLLMENT

REQUIRED ANNUALLY FOR ALL PARTICIPANTS

SERVE  GROW  THRIVE  MAKE  SERVE  GROW  THRIVE  MAKE 

WHO?

All participants - youth and adult volunteers - who intend on participating in 4-H events, activities, competitions, meetings, etc. in the 2024-2025 program year.

Mini 4-H: Kindergarden - 2nd grade

4-H: 3rd - 12th grade

WHAT?

All participants must enroll annually on 4HOnline. If you already have a profile, use that instead of creating a new one.

WHEN?

Our target enrollment date is January 15, 2025.

After that date, you can still enroll but all communications from the Extension office will switch over to the 2024-2025 program year database. That means if you miss the deadline, you will not receive emails or postcards until your enrollment is completed.

WHERE?

V2.4HONLINE.COM

WHY?

4HOnline is the online platform utilized statewide. It stores important emergency contacts, need-to-know medical details, trainings, and other important information. It is also the platform used to register for various 4-H events.

TIPS & FAQs:

Should I create a new account if I moved counties? No - You should keep the same profile and contact the Extension office in your new county to assist you.

Unsure of a club to choose? No worries! Select "Contact Me to Learn About Clubs." More club info to come!

Don't know what project to choose? That's fine! Select one that's closest to your interest. You can add/edit projects until May 15th (except for livestock). More project info to come!

What if I can't remember my password and I'm unable to reset it? Contact the Extension office to assist you in resetting it.
