

List of Local and Regional Bare-Root and Liner Dealers

COMMERCIAL HORTICULTURE • DEPARTMENT OF HORTICULTURE
PURDUE UNIVERSITY COOPERATIVE EXTENSION SERVICE • WEST LAFAYETTE, IN

James C. Sellmer and Michael N. Dana

The following is a listing of some nurseries in Indiana and surrounding states that either propagate tree, shrub, land groundcover plants, or deal in bare-root nursery stock, or both. These dealers can be good sources of small plants for new nursery ventures, or reliable sources of propagules on an annual basis for nurseries that choose not to propagate their own material.
