Level 2: Grades 6, 7, 8

Level 3: Grades 9,10,11,12

ALL LEVELS: Plant a minimum of 6 small fruit bearing plants such as strawberry in a single container or minimum of 3 fruit bearing shrub plants such as blueberry or raspberry in separate containers (minimum 1 gallon, maximum 5 gallon containers for shrubs). All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author when using outside sources, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

EXHIBIT: Each 4-H'er may enter up to three (3) different project exhibits as long as they are all a different type of berry. Exhibit is one (1) container of the plant(s) you have planted and cared for at least 2 months and identify the variety.
