WELCOME TO KELSEY YOUNCE

Kelsey grew up in LaGrange, Indiana on her family's Percheron draft horse and Boer goat farm. She attended Western Governor's University where she obtained her Bachelors of Science in Human Resource Management. She most recently worked in her home county extension office, LaGrange County, as the office secretary. Kelsey was a 10 year 4-H member in LaGrange County, and exhibited draft horses, goats, dairy, dairy beef, started calf, and dogs as well as completed many static projects, her favorite being the forestry and soil and water projects. Kelsey has always had a passion for the 4-H program, and is so excited to work with the team and families in Allen County, making 4-H a career.

In her free time, Kelsey likes to show Boer goats on the ABGA circuit, bake, read, go hiking, and spend time with family and friends.

Extension

News for Everyone

4-H Enrollment Opens October 1

Keep your eyes peeled for more details from the office about 4HOnline 2.0 opening October 1. Many clubs will begin meeting this fall, so please enroll early!

Good News!

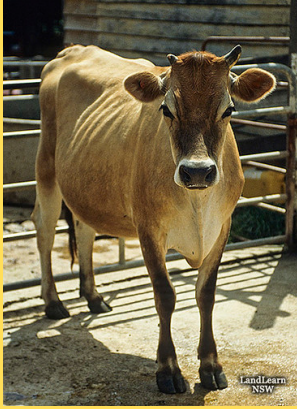

The 4-H Board has voted to not have a county 4-H program fee again in 2021. This means that 4-H members in grades 3-12 will only pay the \$15 state 4-H program fee. Mini 4-H members will be free again this year!

Blue Sheets

We will still accept your 4-H Members Records for 2020 cumulative points sheet (nicknamed the Blue Sheet since it is normally available on blue paper)! We use those points to determine Top & Honor Achievers, so please make sure you complete that each year. Contact us if you need one.

Animal Project Information

2020 4-H Fair Numbers...

27 head of beef

News for 4-H Volunteers

Thanks again to each of you for all you've done to help make in-person 4-H events happen this summer. 2020 will always been known as the year that social distancing brought us closer together.

Did You Know

The value of one volunteer hour is \$25.43. Please email Jean (jkendall@purdue.edu) with your total number of volunteer hours for 2020. We use this information in various reports, so we appreciate having that information to share with the community.
