

**Wildflowers**  
**(No State Fair Exhibit)**

- Enroll in 4-H, pay annual program fee, and enter project in V2.4honline.com by May 15
- Enter exhibit(s) in FairEntry by last business day in June, which is June 30, 2021. See page 7 Rule #23.
- Exhibits checked-in Saturday, July 24 from 9am-12 noon, judging starts at 12:30 pm

An Allen County 4-H General Record Sheet must be completed, signed and turned in at the beginning of check-in for All Exhibit Building Projects.

Please Do Not Pick Endangered or Protected Species.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author when using outside sources, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

This project will be judged in three divisions:

Level 1 - Grades 3-4-5

Level 2 - Grades 6-7-8

Level 3 - Grades 9-10-11-12

FOR ALL EXHIBIT OPTIONS: Photograph, draw/paint, or collect, press and dry plant specimens. Wildflower display should show full bloom, a full leaf, and portion of stem.

Option A – Collection:

-Display 5 wildflowers in a notebook or on a poster. A notebook displayed multiple years must have 5 new wildflowers each year.

For each plant include its common name; scientific name; date and location where collected or observed.

You may use Allen County 4-H's Wildflower Information Sheet for your display or create your own.

Option B - Design with Native plants or Wildflowers:

-Install wildflowers or native plants in a garden or home landscape or container. Create a poster or notebook or display your container. Identify the wildflowers or native plants by their common and scientific names.

(Level 3 only) Option C : Independent Study:

-Create a notebook or poster on a topic studied in depth such as Edible plants, Medicinal Plants, Making Dyes or Exotic Invasive Plants. CAUTION: DO NOT ingest or otherwise use any plant materials without careful consultation and adult supervision.
