

Virtual Brown County 4-H Static Project Exhibition Guide

While it is understood pictures cannot fully replace live exhibits the virtual fair environment is intended to allow a judge to see and learn about the skills a 4-H member has developed throughout this past year resulting from their 4-H experiences.

Upload your exhibits to FairEntry: <http://browncountyindiana.fairentry.com> between June 15th and July 20th. See June Newsletter for step by step instructions. The deadline was moved back from July 15th to give exhibitors more time to complete their projects.

Take all photos in a well-lit area and try to reduce as many shadows and glares as possible. Photographing posters without plastic coverings is recommended. Call the office with any questions (812) 988 5495.
